

Chapter: 1629

Jin Chengen just smiled and glanced at Lin Fan provocatively:

“Sorry Lin Fan, my savior is here, goodbye!”

“I will come to see you and Bai Yi when I have time. You will have to put Bai Yi away and don’t climb onto my bed accidentally, hahaha!”

With that said, he planned to get up and leave!

just!

boom!

Kou Jianghuai strode forward directly and kicked Jin Chengen’s body.

Jin Chengen slammed his head against the wall and spit out a mouthful of blood.

Kneeling on the ground for a long time can’t get up!

what!

Seeing this, Lin Zhan’ao was furious. He didn’t expect that they had already come, so Lin Fan would dare to make a move?

Damn it!

Lin Zhanao glared at Kou Jianghuai and threatened:

“Your dragon teeth, is this going to be an enemy of our Lin family?”

But Kou Jianghuai still shrugged without fear, and said disdainfully:

“Sorry, Mr. Xu said, today’s instructor’s order is a military order, and Lin Fan only obeyed his orders!”

“He doesn’t say you can go, you can’t go!”

boom!

Lin Zhanao exploded directly, of course he was exploded with air!

What does Longya mean?

Isn’t their Lin family comparable to Lin Fan, a great master?

So, they even made enemies with their Lin family in order to please Lin Fan?

This is simply hitting them in the face!

It’s damn it!

“Master Lin, you don’t think they put you in their eyes at all, you must not set them on fire!”

Jin Chengen clutched his stomach and stared at Lin Fan with bitter eyes. At this time, he couldn’t wait to smash Lin Fan into pieces!

then!

Lin Zhanao looked at Lin Fan coldly, still in a domineering posture:

“Lin Fan, because of the face of the Lin family, let Jin Chengen go! Take advantage of the fact that things are still not going to be restored, don’t make mistakes again and again!”

Ho ho!

Lin Fan sneered at Lin Zhan’ao’s threat, and said with a contemptuous expression:

“Excuse me, for me, things are already out of control.”

“From the time you ordered him to poison my wife and children, his fate has been doomed.”

“you!”

Lin Zhanao gritted his teeth and glared at Lin Fan, and asked:

“Do you still have my father in your eyes?”

Jin Chengen is his own. If he can’t even keep his own people, where will he put his face?

In the future, who will work for him?

father?

Jin Chengen is dumbfounded!

Lin Zhanao turned out to be Lin Fan’s Laozi?

In this case, why did he harm Lin Fan?

Even a bad guy like him couldn’t understand Lin Zhanao’s behavior of poisonous predators.

Upon hearing this, a strange arc suddenly appeared in the corner of Lin Fan’s mouth:

“How can I not put you in my eyes? I want to eat your meat, drink your blood, and break your body into pieces in my dreams!”

“But I can’t do this. After all, you are my father, and you gave me my life! So I decided to take revenge on you by another method, which is to make you die!”

In a word, Lin Zhanao’s face became extremely ugly!

But under that angry face, Lin Zhanao’s uneasy heart was hidden.

He knew Lin Fan, and he would do what he said.

And what disturbs him most is that Lin Fan now seems to have such an ability.

At the moment, a vicious cold light flashed in his eyes:

“I warn you one last time and let Jin Chengen go! Don’t force me to shoot you. I took three great masters on this trip, as well as countless top masters and grandmasters. I will be surrounded by people outside.

If you really are If you are stubborn, then I can only cruelly beat you to a disability!”

When the words fell, Lin Zhanao’s face showed a touch of a famous school. He would not kill Lin Fan, at least not on the face.

He didn’t want to be a cruel and murderous infamy, but he would interrupt Lin Fan’s hands and feet and let him spend the rest of his life miserably like a dog.

boom!

But as soon as the voice fell, Lin Fan’s body burst out with extremely terrifying killing intent, like a fierce beast roaring in his body, it was violent to the extreme!

“It’s amazingly murderous!”

The expressions of the great masters behind Lin Zhanao changed drastically at this moment.

They talked about martial arts all their lives, but they had never seen such an alien, such a terrifying killing intent, as if they were to tear people into pieces alive!

This epiphany is terrible!

clatter!

Lin Fan stepped out in one step, but it was like a tiger descending a mountain, giving people an extreme sense of oppression.

Lin Zhan’ao and the others took a step back, their faces instantly pale as paper.

“I’m leaving my words here too, Lin Zhanao must die! The Lin family dare to be troublesome, everything will die!”

Domineering!

Wang Wei!

At this moment, it was vividly reflected in Lin Fan!

Let them all have an illusion that the king is over the world.
