

Chapter: 1631

Lin Zhanao was so insulted by Jin Chengen, Lin Zhanao's face was also ugly.

But he couldn't find any reason to refute it. After all, he really promised the other party, but the other party was pitted in the end.

This is indeed a bit shameless!

just!

Before Jin Chengen continued to insult, Lin Fan had already walked over and kicked Jin Chengen to the ground with one foot, while his footsteps kept pressing down!

Strengthen!

Jin Chengen's head was gradually deformed under Lin Fan's feet, and it was squashed bit by bit!

Mouthful of blood, followed by erupting from his mouth.

But his eyes were still staring at Lin Zhan'ao, with endless hatred mixed in them, and he said intermittently:

"Lin Zhanao, I... I will never let you go if I be a ghost!!!"

哧!

With the last crack, Jin Chengen's head was slammed by Lin Fan!

The blood mingled with the brain, erupted in an instant, and splashed on the wall in an instant.

In this way, Jin Chengen was full of resentment and unwillingness, and completely died.

And see here!

Lin Zhanao's legs were shaking, too cruel!

Lin Fan actually trampled a living person to death like this?

This is so cruel!

Seeing Jin Chengen who was violently killed on the spot, Lin Zhanao seemed to be able to see his own misery.

Will Lin Fan treat him like this in the future?

No, he said, it is too cheap to kill himself, so he will definitely abuse himself in a more cruel way.

At this time, he was scared!

I'm really scared!

At the moment when he saw Lin Fan slaughter Jin Chengen, he began to reflect on what he had done in the first place. Did he really do something wrong before?

He digs his own grave for himself?

vomit!

Seeing Jin Chengen's tragic situation, Lin Zhanao couldn't help it anymore, and when he rushed to the door like crazy, he vomited.

At this time, those great masters are planning to leave!

just!

Lin Fan spoke, saying:

"Today, no one except Lin Zhanao can leave!"

what!

Upon hearing this, all the masters from the Lin family were all dumbfounded!

Lin Fan, are you planning to go head-to-head with them?

And when he heard this, Lin Zhanao was about to vomit blood, so if you want to smash in the end, you just said it from the beginning.

As a result, he sacrificed Jin Chengen in vain, and he insulted him in vain.

At the moment, Lin Zhanao stared at Lin Fan angrily:

"Lin Fan, are you crazy? Are you really going to die with us?"

Three against three, the best result is that both lose and lose, or maybe it is the same end!

Lin Fan is crazy!

Lin Fan is absolutely crazy!

And a smirk appeared at the corner of Lin Fan's mouth, staring straight at Lin Zhan'ao:

"Don't you think that you have poisoned my wife and children, and there is nothing wrong with you. Return to the imperial capital safe and sound, right?"

These great masters work for the Lin family!

So it means that there will be a battle sooner or later, and simply solve these three here to relieve the pressure in the future battle with the Lin family.

Then, Lin Fan stared at the masters, and said maliciously:

"Those people, just treat it as a little interest from me!"

This sentence completely ignited the flames of war!

Now!

All the masters of the Lin family were completely angry and scolded Lin Fan angrily:

"You're so sure, have you taken us?"

"Lin Fan, you are too arrogant! Do you really think we are bullied?"

"Since you decide to die and break the net, the old man will lose his life and play well with you!"

For their clamor, Lin Fan just sneered!

Then he walked to the door and closed the door slowly!

At the moment when the door was closed, Lin Zhanao outside the door saw a scene that he would never forget, and saw a pair of cold eyes that looked like a devil!

Without the slightest feeling!

No mercy!

Yes, it's just endless chill!

boom!

The door was closed, but Lin Zhanao didn't even have the courage to knock on the door, as if the ghost door was already closed on the other end of the door!

In the next instant, he seemed uncontrollable, stumbled and rushed out, escaping from this place at the fastest speed.

devil!

That child is a devil!

He was scared!

The two legs trembled wildly involuntarily, and even the expression was crazily distorted because of panic.
