

Chapter: 1637

A punch, roaring with a frightful wind, pressed Lin Fan's head, like a mountain Tai!

See it!

A grin suddenly appeared on Lin Jiangchao's face, as if Lin Fan was already dead in his eyes.

boom!

just!

That seemingly unstoppable punch was blocked by Lin Fan in the next instant, but was underestimated by Lin Fan.

At the same time, there was a hint of contempt and disdain on his face. "that's all?"

what!

Ouyang Hua's pupils shrank fiercely, and he was almost frightened at this time, his eyes widened with an expression as if he had seen a ghost.

That shock can't be calmed down for a long time!

dream!

I must be dreaming!

How could he block this blow so easily?

Could it be that this guy is really the best?

It's impossible to be in your early twenties!

This is impossible! ! !

Ouyang Hua was completely messed up, and that face seemed to be a ghost. He lived such a long time, so far, he has never seen a stranger like Lin Fan.

On the side, Lin Jiangchao's face turned pale in an instant, and an incredible horror suddenly appeared in his eyes.

Lin Fan, has this blocked this unstoppable blow?

Are you dreaming?

"It's me!"

Lin Fan sneered, and then shot directly, with the same punch, blasting towards Ouyang Hua!

See it!

Ouyang Hua's expression suddenly changed wildly. At this moment, he felt as if there was a huge mountain pushing across him, and he couldn't resist it at all.

boom!

Lin Fan hit Ouyang Hua's chest with a punch, and Ouyang Hua's eyes suddenly burst into tears, and his eyes were directly congested. At this moment, they were covered with terrifying bloodshot eyes!

Then, everyone saw his chest and instantly sank into a large area!

Soon, a piece of blood wet his clothes!

Ouyang Hua's eyes were as wide as bull's eyes, and then she fell forward, and with a pop, she was completely dead!

Punch!

With just one punch, Lin Fan beat a great master to death alive.

This scene made Lin Jiangchao crazy!

"Impossible! This is impossible!"

Lin Jiangchao took two steps back in horror, watching with disbelief that the blood constantly seeped from Ouyang Hua's body and wet the entire ground.

too fast!

All this happened so fast!

It's almost like a dream!

Make Lin Jiangchao feel unbelievable!

That's the great master, a god-level figure who was beaten to death by Lin Fan just like that?

At this time, he only felt that the world was spinning, and the fear instantly swallowed him like a tide.

Lin Fan, shouldn't it be Lin Zuo?

If all this is true, it would be a nightmare for the Lin family!

Immediately afterwards, he looked at Lin Fan with extreme trepidation:

"Don't kill me, I just follow orders. This is what your grandfather Lin Hongtu meant. He wants to kill you!"

"Let me go! Please let me go!"

Lin Jiangchao was about to urinate in terror, his legs were swinging uncontrollably.

"The Lin family dare to come to Jiangnan, then don't expect to leave alive!"

Lin Fan had a smile on his face, but one sentence had already explained everything. Today, Jiangnan is his territory, and that is the restricted area of the Lin family.

A group of people stepped forward and pressed Lin Jiangchao to the ground.

"Lin Fan, don't! Let me go, I am your second uncle!"

Lin Jiangchao screamed instantly, as if he had been scared, his crotch was soaked.

Lin Fan showed a smirk, and said lightly:

"Don't worry, you won't die in vain! I will make you a gift and give it to the Lin family!"
