

Chapter: 1641

really!

In the next instant, the murderous aura in Lin Fan's eyes suddenly seemed to be gushing out.

The other party insulted him, he can bear it!

But Lin Fan couldn't bear to insult his wife!

just!

Zhou Junyu still looked arrogant, with a deep smug on his face, looking at Lin Fan condescendingly:

“Brother, look a little bit more, a man has a little green on his head, so he can live a good life!”

Hahaha!

The audience burst into laughter, and the look in Lin Fan's eyes became more interesting.

If Lin Fan doesn't agree, he will be finished today!

But if he agrees, he can only watch his own woman and become Zhou Junyu's plaything.

Bad luck anyway!

But everyone thinks he deserves to make you pretend to be struck by lightning, right?

At this time, Zhou Junyu was even more arrogant, and he couldn't even keep his own woman. He wanted Li Xunran to take a good look at how trash such a man was.

However, there is more to it!

Zhou Junyu stared at Bai Yi with a squinting look, and while attacking Lin Fan, he also deliberately tasted the taste of this beautiful girl. This girl looks more real, and her appearance is not inferior to Li Xunran!

If you can have sex, it should be a beautiful thing too!

But as soon as his voice fell, Lin Fan, who was already furious, made a move!

Lin Fan strangled Zhou Junyu's chin with one hand, forcing his mouth to open, with cold flashes in his eyes:

“Your mouth is so stinky, I'll just pull out this tongue for you? Anyway, you can't use it if you keep it!”

boom!

Upon hearing this, Zhou Junyu was about to explode!

In the next instant, Zhou Junyu directly raised his fist and smashed towards Lin Fan's face, with a hint of hatred on his face.

Dog things, dare to threaten him?

court death!

But his hand was blocked by Lin Fan in an instant. Lin Fan glanced at his hand, then grinned and said:

“It seems that you don't want just your tongue, you don't even want your hands!”

what!

Zhou Junyu's expression changed, and then suddenly realized something, and screamed in horror:

“What do you want to do, I warn you not to mess around, but I...”

But when he hadn't finished speaking, Lin Fan suddenly exerted force and suddenly folded Zhou Junyu's hand, and Zhou Junyu's arm instantly bends backward in an arc of 180 degrees!

Ouch!!!

Zhou Junyu suddenly let out a scream like killing a pig, and instantly shocked the audience, struggling madly and painfully in Lin Fan's hands.

But Lin Fan's hands were like iron tongs, no matter how hard he tried, he couldn't move a bit.

Everyone was completely stunned at this moment.

This guy actually broke Zhou Junyu's hand?

Is he crazy?

The audience suddenly fell into a dead silence.

Everyone's eyes were focused on Lin Fan, and they only felt how shocking this scene was!

Didn't he know that the person in front of him was the young boss of the Zhou group?

In their opinion, Lin Fan is no different from looking for death!

madman!

This guy is simply a lunatic!

Li Xunran sighed deeply, the thing she worried the most had happened after all.

She knew that Zhou Junyu was seeking his own death!

But Lin Fan still looked like a troublesome person, still pinching Zhou Junyu's chin with one hand.

“Asshole thing, let go of our young master, or I want you to die!”

A burly man roared, with a thick murderous intent on his face. He was one of Zhou's masters.

But Lin Fan didn't even look at him, staring at Zhou Junyu like a torch:

“Now, I'm going to pull out your tongue!”

“Woohoo...”

Hearing this, Zhou Junyu was almost scared to pee. He shook his head, his face was full of panic.

“Xunran, what the hell is this guy? Does he know what he is doing? If he really dares to treat Zhou Junyu, let alone the imperial capital, he won't even want to get out of this banquet hall today!”

Someone said to Li Xunran.

Li Xunran sighed, then stepped forward and said to Lin Fan:

“Mr. Lin, he is the son of my senior brother, please take my teacher's face and spare him this time.”

“After all, you also interrupted him with a hand.”
