

# Chapter: 1649

boom!

Yao Lao's words directly numbed the scalp of all the big guys present, and their eyes were full of deep horror!

This... is this an illusion?

Yao Lao...Is it here for this man?

What's more, even said that you have long admired your name?

What status is Yao Lao? It is not an exaggeration to describe him as the No. 1 genius doctor of China. Now he still needs to admire someone else's name for a long time?

The polite appearance made them feel like they were dreaming!

You know, there are Lin Hongtu and Zhang Jianjun, two super bosses, but Yao Lao didn't even look at them, and greeted Lin Fan directly?

Senseless!

Everyone present was dumbfounded!

What is going on here?

Damn it, who can tell them what terrifying identity this young man has?

The moment Lin Hongtu and Zhang Jianjun saw this scene, their faces became gloomy.

The bad premonition in my heart is getting stronger and stronger!

Especially, when they saw Yao Lao look at Lin Fan, they looked like their grandson, and they were even more shocked!

Lin Fan, you know Yao Lao?

"Yao Lao!"

Lin Fan also bowed to the old man Yao. As a junior, he respected the old man in front of him from the bottom of his heart.

And this time!

Bai Yi on the side was already dumbfounded, covering her mouth tightly, looking like a ghost.

Yao Lao is so kind to her husband?

Isn't she dreaming?

However, what is even more frightening for everyone is yet to come!

Old Yao gently patted Lin Fan on the shoulder, and said softly:

"Don't worry, if I am here today, no one can help you!"

Everyone was in an uproar, Yao Lao wanted to insist on this kid's rhythm?

Right now, Yao Lao turned his head and faced Zhang Jianjun and others:

"From today onwards, the old man will be the chief consultant of the new Bai's. If you want to acquire them, it depends on whether the old man can agree or not!"

Heard this!

Lin Hongtu and Zhang Jianjun's faces are as ugly as they are.

Originally, they thought that Lin Fan was already the turtle in their urn, but now they have killed a Yao Lao for no reason, ruining their good deeds!

At the same time, Yao Lao snorted and looked at Zhang Jianjun contemptuously:

"You just said that the Lin family is much stronger than the New Bai family. Now that I join the New Bai family, who do you think is more powerful?"

Zhang Jianjun frowned immediately, and then smiled awkwardly:

"Lao Yao, don't you make it difficult for me?"

Lin Fan humiliated him like that just now. If this doesn't clean up Lin Fan, how will he see people after Zhang Jianjun?

"If it's hard, don't do it. The essence of China Medical Association is to conduct academic exchanges, not to become a tool for some people to show off their power, let alone a murder weapon!"

Yao Lao's words were sharp, and he had clearly understood everything, so Zhang Jianjun and Lin Hongtu were directly embarrassed at this time.

"This medical association was founded by me. Here, I have the final say!"

"From now on, New Bai's will be covered by my Huaxia Medical Association. Whoever touches New Bai's is the Chinese Medical Association!"

Roar!

All the doctors shouted in unison and responded.

In the eyes of Doctor Hua Xia, Yao Lao is a great man, and he is what he says.

Zhang Jianjun and Lin Hongtu's expressions were stiff, and their hearts were extremely shameful at this time, because they knew that as long as there was medicine, they would not be able to move the kid in front of them today.

Just now they confidently said that they want Lin Fan to be unlucky, but in a blink of an eye Yao Lao slapped them in the face fiercely!

This is too shameful!

Immediately afterwards, Yao Lao snorted directly, and said unceremoniously:

"You can get out!"

Hear the words!

Zhang Jianjun is worthy of being a man in the officialdom, and his attitude has directly changed three hundred and sixty degrees, and he smirks:

"Don't be angry, we will get out now!"

With that said, he ignored Lin Hongtu, turned and left!

Just at the moment of turning around, a strong resentment appeared in his eyes!

He Zhang Jianjun took down this account today!
