

Chapter: 1650

Lin Hongtu continued to stay here with a face as well, so he planned to turn around and leave.

But right now!

“Wait!”

Lin Fan smiled and spoke, and stopped Lin Hongtu and the others.

Ok?

Lin Hongtu and others looked back, staring at Lin Fan suspiciously, but sneered contemptuously:

“Why, you rubbish still want to do something here?”

If Lin Fan did something here, it would be a disaster!

No matter what his status, he can't escape death!

Today's medical association is of national concern. If Lin Fan dares to blatantly kill people here, it doesn't matter whether he has the identity of Tongtian or not.

It is impossible for Huaxia's senior management to turn a blind eye!

Even Yao Lao couldn't help frowning, for fear that Lin Fan would really drive out the murderous stupid thing on impulse.

But at this moment, a weird smile appeared on Lin Fan's face, and then he threw a plastic bag out:

“This is a gift I prepared for your Lin family!”

The plastic bag rolled down to Lin Hongtu's feet.

Lin Hongtu frowned, but he dared not move for a while.

Isn't this a bomb?

With this kid's crazy personality, it's really possible to throw a bomb directly to blow them up.

“It's a mystery, I want to see what the hell you are doing!”

At this time, Lin Zhanxi gave a cold snort of disdain, and then directly opened the plastic bag.

hiss!

follow closely!

There was a sound of inhaling air-conditioning resounding in the field, and everyone's eyes were filled with a deep horror at this moment.

Because there is a human head there!

Lin Zhanli also screamed screaming, and directly slumped on the ground, her face pale as a piece of paper for an instant.

“Jiang... Jiang Chao???”

Lin Jiangxing immediately pushed away the favor and threw himself down in front of the head, and then the old man wept in tears:

“My son, my son!”

The sorrowful cry was so hoarse, as if he was about to die.

Everyone felt extremely horrified at this moment. After Lin Fan killed his three brothers, did he start to deal with his uncle's heirs?

Oh my!

They never thought that the ultimate enemy of the Lin family would be the Lin family!

A waste of little waste, upset the entire Lin family?

This is incredible!

“Lin Fan, you damn bastard!”

Lin Hongtu gritted his teeth and looked like he wanted to smash Lin Fan into pieces. This guy threw out Lin Jiangchao's head at this time, wasn't it just to slap him in the face in front of others?

Lin Fan smiled evilly, looking at the Lin family's expressions of fear or anger, only to feel comfortable drinking a glass of ice drink.

“You sent this trash to Jiangnan to kill me, and now I'm returning him to you!”

Lin Fan grinned and stared fiercely at every Lin family present:

“At the same time, I would like to remind you that from now on in Jiangnan, your Lin family are not allowed to take a half step!”

“Come on, I'll kill one! I'm a pair, I'll kill a pair!”

boom!

These words resounded like a thunderstorm and resounded through the audience in an instant!

Everyone present was extremely shocked!

What an overbearing rhetoric!

There is absolutely no way to put the Lin family in his eyes!

These big guys are used to seeing big winds and waves, but they have never seen such an arrogant person!

Hearing these humiliating words, Lin Hongtu was about to crush his teeth, and there was a thick and cruel look in his eyes!

I can't wait to break Lin Fan's body into pieces!

“I want to kill you, I want to kill you!!!”

Lin Jiangxing roared hysterically, seeing his son's misery, he was completely mad.

just!

Lin Hongtu stopped him, staring at Lin Fan with cold eyes:

“If you can leave the imperial capital alive, I, Lin Hongtu, will write it upside down!”
