Blood...Blood Hell? ? ?

When this word fell into the mouths of everyone, they suddenly seemed crazy, their bodies trembling crazily!

A pair of eyes seemed to split from the eye sockets.

I heard it wrong, it must be a mistake!

Dignified blood prison, the only overlord of the underground world, how could they help this kid?

“Impossible, this is impossible!”

Lin Jiangxing also panicked, and shook his head vigorously, with lingering fear and shock in his eyes!

The people Lin Fan brought were the dignified Blood Prison Legion?

Isn't he...

At this time, Lin Jiangxing didn't even have the courage to continue thinking about it!

“Blood Prison Mad God, Blood Lord, Blood Buddha, Blood Shura...

All the strongest of the blood prison, all are here!”

“He... who is he! Why can he order the entire blood prison?”

“Damn it! What kind of existence did the Lin family provoke!”

All the great masters felt extremely horrified at this time, and they were completely shocked by the scene before them!

These are the strongest in the blood hell!

at this moment

There are as many as twelve, and each one is a great master!

Especially the mad god of blood hell!

Legend has it that this monster can rival the three great masters by one person and is extremely powerful!

With these existences helping Lin Fan, the eight of them are afraid that they will not escape.

Many great masters regret that they shouldn't take this business, because it seems that it is destined to be a loss-making business at the moment!

Everyone could not imagine that Lin Fan, who was originally like a pallet fish in their eyes, could reverse the globality and order the entire blood hell to help him out!

at this time!

A pair of horrified eyes fell on Lin Fan together, everyone was going crazy.

Who the hell is this man!!!

At this moment, the blood prison mad god and others knelt in front of Lin Fan together.

Then Qi Qi bowed to Lin Fan and shouted in unison:

“Wang, here we are!”

king???

The horror in everyone's eyes became more intense, and they were shaking all over, looking at Lin Fan extremely uneasy.

A panic of extreme horror arose in their hearts!

I'm almost scared to pee!

At this time, Lin Fan grinned and said:

“Introduce myself, I am Lin Fan, and also... the king of the blood prison!”

boom!

King of the Blood Prison?

When the word came to everyone's mind, everyone felt the thunder and thunder, and they trembled wildly.

Lin Fan is actually the King of the Blood Prison?

This is impossible! This is absolutely impossible!

Lin Jiangxing and Lin Zhaohe were both petrified on the spot at this time, and there was a deep panic in their eyes.

This scene made them desperate!

That is the only king of the underground world, how could it be the waste that their Lin family abandoned?

At this time, they suddenly remembered why the King of the Blood Prison would not hesitate to engage in evil with the Lin family for the sake of a little new Bai family.

original!

Lin Fan is the King of Blood Prison!

It shouldn't be an enemy, this is looking for death!

The faces of the brothers Lin Jiangxing and Lin Zhaohe were nothing fierce, but there was just endless fear.

Lin Fan is the King of the Blood Prison, and this message is absolutely terrible news for their Lin Family!

That is a behemoth that can compete with the Lin Family!

How... how could this be?

At this moment, the brains of all the Bai family members are blank!

They couldn't believe that Lin Fan, who had a strong killing intent on their Lin family, turned out to be the king of that underground world!

This guy, what has gone through all these years!

He actually stood at the same level as their Lin family in just ten years?

Not just them!

Even the great masters who were invited, at this time, looked like they had eaten a fly, their faces turned green.

“Idiots! The people of the Lin family are simply idiots!”
