

# Chapter: 1685

“I will give you ten seconds. If you don’t kneel down within ten seconds, I will have someone beat you to your knees!”

She will never let Lin Fan ruin her first errand, and she will never let her idol down on her!

Lin Fan provoked the matter, so he must solve it!

No matter what method is used!

Lin Fan raised his brows, his eyes suddenly narrowed into a gap, and the cold glow burst into the inside!

Is Xu Yourong challenging his bottom line?

See it!

Ouyang Feifei suddenly smiled triumphantly and yelled to Lin Fan:

“Dog stuff, this is the end of offending me, you are dead!”

At this time, Xu Yourong also started the countdown:

“Ten, nine, eight, seven...”

Every time she said a number, her expression was a little bit cold, and it was obvious that she was really planning to cruel Lin Fan!

But Lin Fan was still the old god, as if he hadn’t heard it.

This reaction made everyone shocked.

This guy is really not an ordinary mad!

He is so sure that Xu Yourong dare not do anything to him?

If this is the case, then this guy is too naive, right?

But Ouyang Feifei was so excited, she couldn’t wait to see Lin Fan unlucky.

“One!”

When the count reached one, Xu Yourong ran out of patience and planned to call the security guard up.

just!

At this time, the door was pushed open, and a hearty voice came from outside the door:

“It’s so hot, did I miss something?”

Everyone took a closer look and found that the person standing at the door turned out to be Zhang Jianjun!

“Zhang Bu!”

Everyone was in awe, and respectfully shouted to Zhang Jianjun.

Even when Wan Lishi saw Zhang Jianjun, it was as if a mouse had seen a cat. A thick horror suddenly appeared on her face, and she bowed to Zhang Jianjun:

“Zhang Bu!”

She knows very well that this one is the real powerist, not to be offended!

“What’s the matter, are they so serious?”

Zhang Jianjun smiled and asked, he actually knew what had happened before he came here.

But in order not to reveal Lin Fan’s identity, he can only pretend that he doesn’t know anything.

“Zhang Bu, it’s like this...”

Ouyang Feifei hurriedly jumped out and told the story all over again, naturally not forgetting to add fuel and jealousy to describe how Lin Fan insulted her.

Zhang Jianjun’s eyes flickered, and a cold smile appeared at the corner of his mouth:

“Oh, then how are you going to give up?”

Hearing Zhang Jianjun asking for his own opinions, Ouyang Feifei even felt that he had a backing, and said triumphantly:

“It’s very simple, just interrupt his leg!”

As soon as he said this, even Xu Yourong frowned!

Just now Ouyang Feifei said that it would be fine for Lin Fan to kneel, but now that Zhang Jianjun is coming, she wants to break Lin Fan’s leg?

This is too much for you, right?

“Zhang Bu, right? I think you are a sensible person. There is no need to destroy the relationship between our two families for a wage earner, don’t you think?”

Wan Lishi quickly grabbed Ouyang Feifei, staring at her and said:

“Ouyang Feifei, don’t talk nonsense!”

She is going crazy, Ouyang Feifei is so bold, dare to bargain with Zhang Jianjun?

Is this a brain disease?

But Ouyang Feifei had taken care of so much. After seeing Zhang Jianjun coming, she began to scratch her head and pose, and she was screaming.

I thought that even if I couldn’t hook up with the genius doctor Lin, it would be nice to hook up with Zhang Jianjun!

Although she is always getting older, she is a realist, and it will be helpful to her career.

Therefore, at the moment, it is acting like a baby:

“Zhang Bu, you just clean up that bastard stuff from me, the big deal is that I will invite you to dinner, or else they will terminate the contract with you!”

Hear the words!

Zhang Jianjun ho ho sneered, if it were someone else, he might really agree to Zhang Jianjun’s request.

But the problem is Ouyang Feifei offended, but the genius doctor Lin!

His immediate boss, how can he have the courage to agree?

Snapped!

Zhang Jianjun slapped Ouyang Feifei with a backhand and knocked her to the ground.

Poor Ouyang Feifei, first slapped Lin Fan, and now slapped Zhang Jianjun again, his faces were swollen completely symmetrical.

Completely become a pig’s head!

Everyone was in an uproar!

And Wan Li Shi was also dumbfounded, looking at Zhang Jianjun in disbelief:

“Zhang Bu, why are you?”
