

# Chapter: 1686

Originally, I wanted to get Washington Pharmaceuticals to make concessions, but I didn't expect it to shoot myself in the foot.

just!

Zhang Jianjun didn't kill her at all. If he offends him, things still have a chance. If he offends Lin Fan, then Ouyang Feifei deserves bad luck!

"No need, since the artist under your hand is so hard-spirited, I think that if we don't have our Washington Pharmaceuticals, you can also find a better partner, please!"

Zhang Jianjun made a cold face and directly ordered the chase!

This is a big game!

Wan Li was so miserable. This time, she wasted an opportunity to promote Ouyang Feifei's popularity, and she even offended Zhang Jianjun. What is this?

Wan Lishi was so angry, Ouyang Feifei actually took the lead and let Zhang Jianjun grab the handle, it was really stupid!

"Zhang Bu, that..."

Wan Lishi wanted to fight for it, and said with a big smile.

"roll!!!"

However, Zhang Jianjun roared and roared extremely shamelessly, completely looking like cannibalism.

This fierce look terrified everyone!

Including those high-level!

It was the first time they saw that Zhang Jianjun was so furious and completely lost!

Wan Lishi was startled first, then sighed helplessly, turned her head to look at Ouyang Feifei, extremely annoyed:

"Isn't it embarrassing enough? Get out soon!"

Ouyang Feifei was sobbing, with a pitiful look, she covered her face and walked in front of Zhang Jianjun.

"Cooperating with Washington Pharmaceuticals would have become a rare opportunity for improvement in your career. These vaccines are sold all over the world. If you become a spokesperson, you will be exposed globally!"

"You idiot, you ruined this opportunity with your own hands!"

Wan Li shoved Ouyang Feifei ferociously, almost causing Ouyang Feifei to stagger to the ground.

Ouyang Feifei was even more wronged, she kept crying, and she naturally knew what she had missed.

The sole spokesperson of the new vaccine, coupled with her image of pure and sweet green tea that is good at disguising, is enough for her to gain a large number of fans at home and abroad!

It is not impossible to enter Hollywood by then!

but now!

Nothing!

All this is caused by Lin Fan!

Before Ouyang Feifei left, she glanced at Lin Fan with extreme resentment, and wanted to remember the man who had caused her to miss a great opportunity firmly in her mind.

She vowed to let this dead poor ghost be dead!

She has already decided!

When she turned around, she spent some money to create an accident, making Lin Fan a waste in her life!

After Ouyang Feifei and Wan Lishi left, Xu Yourong walked up impatiently, and said with some complaints:

"Zhang Bu, are you too reckless to be like this?"

Zhang Jianjun glanced at Xu Yourong, but said in an official tone:

"If you don't have a spokesperson, just look for it, and looking for a spokesperson with misconduct will only affect the brand's reputation."

"We are the leading company in China Pharmaceuticals. With so many eyes on us, we can only be cautious and cautious to avoid all possible risks."

Hear the words!

Xu Yourong sighed and said:

"I know what you mean, but now the vaccines have all been put into production and will be available soon. At this time, where can we find new spokespersons that fit our brand image?"

However, at this moment!

Lin Fan, who has been silent all the time, spoke:

"Leave it to me!"

Ok?

His words, like a blockbuster bomb, instantly detonated the audience!

Everyone looked at him angrily, wishing to smash him into pieces.

here you are?

If it were not for you, how could our group face such a dilemma?

And at this time, do you still have the face to talk coldly?

Xu Yourong was even more angry, and shouted at Lin Fan angrily:

"Can you shut up? What can you do as a trash door-to-door son-in-law? Is it possible that you can invite a star?"

"Don't coax, you are a little self-aware of rubbish like you?"
