

# Chapter: 1687

Xu Yourong said the aspirations of all the high-levels present, and they all looked at Lin Fan with contemptuous eyes.

But Zhang Jianjun, who heard this, almost passed out in shock.

Lin Fan, is it waste?

This rubbish, but the Lin family was so big that it was beaten all over with bruises and wounds, dead and wounded?

Such a person is waste?

Zhang Jianjun shook his head helplessly. It's not that Lin Fan has self-knowledge, but you Xu Yourong has no eyes!

Lin Fan was not angry, shrugged, and said indifferently:

"I can indeed find a star!"

Regarding Lin Fan's arrogance, Xu Yourong sneered twice, and said with contempt:

"Okay, I assume that you can really find a star, then can you find a heavyweight star like Ouyang Feifei?"

"At the moment, the hottest star in China is Ouyang Feifei. She has more than 30 million fans on Weibo, and every one of them is extremely active!"

"One of her Weibo has three million comments alone. Can you find someone more influential than her?"

"unless..."

Xu Yourong turned around and looked at Lin Fan with a playful look, as if he was looking at an idiot:

"You can find an evergreen tree in the entertainment industry, the super queen Zhang Yichen!"

Originally, stars are time-sensitive!

It is especially hot for a period of time, and then it will start to get angry, even the four kings who are most like the sky in the past.

But Zhang Yichen is the only exception. She is more and more popular every year, and every new song will detonate the entire entertainment circle.

Therefore, it is called the evergreen tree of the Chinese entertainment industry!

The only super queen who can kill at home and abroad!

But the existence of this level is not like Ouyang Feifei, who can get it with money.

just!

To everyone's surprise, Lin Fan just smiled and nodded and said:

"Okay, let's Zhang Yichen!"

Huh!

There was a dead silence in the audience!

Everyone looked at him as if they had seen a ghost, staring at him with wide-eyed eyes in disbelief.

Just Zhang Yichen, right?

You said yes?

What kind of thing are you!

People are super divas, who can't invite them if they have money?

The opening and closing of your yellow mouth and white teeth, as if you have already done things, are you crazy?

Everyone is speechless!

How could there be such a strange flower?

Xu Yourong was also completely irritated, and said in disgust:

"Can you get out and stop being disgusting here?"

Her attitude towards Lin Fan was a straight decline!

Even if you are incompetent, and you always like to pretend, how can there be such a disgusting man!

"I'm sure he can do it, let him try it!"

Zhang Jianjun kept wiping cold sweats and said, feeling a panic in his heart.

He suggested that Xu Yourong should be recruited, but he insulted Lin Fan no less than three times in just this moment. It really made Lin Fan annoyed. What if it counts on him?

Zhang Jianjun was so anxious that his voice changed.

Upon hearing this, Xu Yourong snorted and said:

"Zhang Bu, don't you know that this person is my cousin's door-to-door son-in-law, and he is supported by his wife on weekdays, a typical soft-boiler!"

"For such a person, it is a problem to support himself. How can he know a super queen like Zhang Yichen?"

Eat soft rice?

Your son-in-law?

Hearing this, the contempt on the faces of everyone present became more intense.

Zhang Jianjun's legs were weak, and he almost knelt down to Xu Yourong, the expression on his face was uglier than crying.

Grandma, can I beg you to stop talking?

I want to live two more years!

Fortunately!

Lin Fan was also a little angry, but just smiled and walked out of the office.

And seeing him leave, Xu Yourong snorted and sighed:

"Sit down, everyone, since it has already happened, and it doesn't help to be annoyed, let's figure out how to remedy it, right?"
