

# Chapter: 1691

Xu Yourong sat back on the chair, his brain was completely blank.

Isn't that guy pretending to be coercive?

But just rely on him, why is there such an ability?

Please move an international superstar, what a...

Let Xu Yourong have the urge to scold her!

Did she really miss it, that guy is not as bad as she imagined?

At this time, Zhang Yichen was even more puzzled when he saw everyone's slumped appearance:

"Where's Lin Fan? Isn't it here?"

This...

The expressions of Xu Yourong and others were too embarrassing.

How could he tell Zhang Yichen that Lin Fan had already let them go?

If that's the case, I'm afraid Zhang Yichen will turn around and leave, right?

Everyone smiled bitterly, and they really didn't know Taishan.

Lin Fan hit them in the face severely!

"Well, Mr. Lin has left beforehand. He estimates that he will come tomorrow!"

Xu Yourong said with a look of embarrassment, she should be the one who feels the most pain in her face at this time.

Because she insulted Lin Fan the most, and even killed Lin Fan in one bite, it was impossible to invite Zhang Yichen.

The results of it?

This guy really did what he said!

Xu Yourong even wanted to find a hole to drill at this time. Maybe Lin Fan called her an idiot just now, right?

"Then I wait for him to come before signing a contract!"

Zhang Yichen said this faintly, then turned around and wanted to leave.

His complexion has become unsightly!

Obviously she also realized that these people must have offended Lin Fan, and that they had offended Lin Fan, and there was no need to discuss this cooperation.

Seeing Zhang Yichen said that when he changed his face, he changed his face. Xu Yourong and others also realized that something was wrong.

Zhang Yichen should have noticed that they had driven Lin Fan away.

But what they didn't expect was that Lin Fan's position in Zhang Yichen's heart was so important that Zhang Yichen, who had a sweet smile one second before, was as cold as frost in the next second.

This turning speed is faster than turning a book!

And how could Xu Yourong let go of this hard-won opportunity, stepped forward in a panic, and said earnestly:

"Miss Zhang, in fact, Lin Fan is not here, we can also sign a contract!"

just!

For her kindness, Zhang Yichen just gave her a cold look:

"Lin Fan is not here, I won't sign a contract!"

Finished!

She was cold, and strode out of the meeting room!

Leaving Xu Yourong and others, it was completely messy!

"That Lin Fan actually found Zhang Yichen, who is he?"

"Xu Yourong, we have to get him back. If there is no him, Zhang Yichen will not cooperate with us. Since you know him, it is up to you to come forward!"

Hear the words!

Xu Yourong frowned suddenly and asked her to find Lin Fan. Wouldn't it mean that she should slap her in the face?

After all, she had humiliated Lin Fan just now, so she invited him again at this time, wouldn't she have to admit her mistake?

"Xu Yourong, this project group is entrusted to you. That is to believe in your ability. I don't think you want to let the group's efforts in vain?"

Xu Yourong's face was pale, but he also knew that what his colleagues were telling was the truth.

At the moment, she said unwillingly:

"Okay, I'm going to find Lin Fan!"

That night!

After Lin Fan finished his work, he returned to the hotel, and then saw Xu Yourong talking with Bai Yi.

At the moment, Lin Fan frowned, and he didn't like this woman in his heart.

At this time, seeing Lin Fan coming back, Bai Yi's face was not quite right, but a little bit of grievance and anger.

Lin Fan's heart suddenly twitched, what did this woman Xu Yourong coax?

Now!

Bai Yi looked at Lin Fan angrily and asked:

"Lin Fan, are you familiar with Zhang Yichen?"

Lin Fan was taken aback for a moment, then he smiled and said:

"It's just some friendship!"

just!

As soon as Lin Fan finished speaking, Xu Yourong sneered:

"It's just some friendship? I don't think it is necessary? People said, unless you are there, she will never sign a contract. I don't think it is as simple as some friendship with him, right?"
