

# Chapter: 1713

Hear the words!

Li Xunran's face suddenly faded, and he couldn't dispute it at this time.

She kindly persuaded Mr. Li, but Mr. Li only regarded her words as a lie to protect Lin Fan.

And Lin Fan had already said before coming here that whether he tolerates it depends entirely on the extent of the family members.

But at the moment, Old Man Li directly opened his mouth to break one of Lin Fan's legs, and that would be intolerable.

And hear this!

A hideous smile appeared on Wang Boyi's face!

His conspiracy has succeeded!

Li Xunran was swept out of the house, and Lin Fan immediately had to become a waste person!

At that time, both Li Xunran and Lin Fan will become his pallet fish and let them be slaughtered!

They are dead!

And at this moment, all the masters of the Li family were Qi Qi approaching Lin Fan, with a strong murderous look on their faces!

Obviously he intends to completely solve Lin Fan!

“Grandpa, I beg you! Just believe me this time!”

“This man, you really can't afford it!”

Li Xunran cried and said, how could she watch Mr. Li step by step toward destruction?

And this time!

Snapped!

Elder Li directly slapped Li Xunran and knocked her to the ground.

At the same time, the extremely disgusting Tao:

“Shut up! You bitch!”

“It wasted my years of cultivation of you! Even now, you still want to keep your adulterer, and my Li family's face has been lost to you!”

Li Xunran fell to the ground, covering his face, completely astonished!

She never thought that one day Old Man Li would beat her!

However, what made her even more unacceptable than hitting her was the next harsh words of Old Man Li.

See here!

The second aunt's family beamed with joy, and their eyes were full of gleeful smiles.

Lin Fan looked at Li Xunran who fell to the ground, his eyes grew colder.

And at the corner of the mouth, a wicked smile appeared:

“Unfortunately, just now, your family missed the last opportunity to apologize to me!”

what!

Upon hearing this, both the Li family and the Wang family were completely stunned!

Apologize to Lin Fan?

Didn't they make a mistake?

This guy, do you know what he's talking about?

They need to apologize to Lin Fan?

It's this idiot who doesn't live or die, should I apologize to them, right?

At the moment, they were all furious and cast murderous glances at Lin Fan one after another.

He looks like he can't wait to smash Lin Fan into pieces!

This guy's death is imminent, and he even provokes the two of them!

“Boy, I think you are insane, right? You have to become crippled immediately, and expect us to apologize to you?”

The second aunt laughed meanly, staring at Lin Fan with contempt:

“Don't worry, we will apologize to you after we crippled you!”

then!

A group of masters are already within walking distance of Lin Fan!

But facing these masters, Lin Fan was still calm and composed, the smile on his face increased unabated, and he didn't seem to be afraid at all.

This reaction stunned Wang Gamei and others.

Is this guy a bold person, or is he not bright in his head?

Death is coming, and you can still laugh?

However, just when the masters of the Li family were ready to take a shot!

The housekeeper of the Li family ran in from the door quickly, and said in a panic:

“Patriarch, Zhang Bu is here!”

Zhang Jianjun?

Everyone suddenly changed their expressions!

How could he come suddenly?

Father Li frowned suddenly, and then said:

“Invite him in!”

Then, his cold eyes glanced at Lin Fan:

“I'll clean up you later!”

Not long after, Zhang Jianjun walked in, and seeing his appearance, Old Man Li and Wang's Patriarch greeted him quickly.

Both of them had flattering smiles on their faces:

“Zhang Bu is here, and you are welcome!”

However, Zhang Jianjun pushed the two of them away, strode straight towards Lin Fan, and then bowed deeply to Lin Fan under the horrified eyes of everyone:

“Mr. Lin, I'm late!”
