

# Chapter: 1717

Wow!

Hearing this, there was a commotion in the crowd, and everyone was in an uproar.

Is the Wang family planning to kill Lin Fan?

This move made everyone in the two families very excited, because they all knew that they had offended Lin Fan so much. If they didn't kill Lin Fan, they would definitely not have a good life.

then!

Wang Boyi stared at Lin Fan gloomily and said fiercely:

“Lin Fan, even if you have a great background, in front of absolute power, your background and status will no longer work, you are dead, hahaha!”

Hear the words!

Everyone also sneered in their hearts.

Indeed, even if Lin Fan has a great background, he is only an ant in front of the great master, a dead end!

This guy is done!

“Boy, tell your last words, otherwise you won't have a chance!”

Wang Boyi laughed wildly, looking like Lin Fan was determined.

At this time, Lin Fan still didn't speak, Zhang Jianjun and Xu Longxiang looked at each other, and then laughed unanimously.

“If your Wang family dares to take action against Mr. Lin, then today will be the last day of your existence.”

just!

However, the royal family turned a blind eye to their threats.

Wang Boyi glanced at Zhang Jianjun contemptuously, and said with a grin:

“Second, I don't want to hurt the innocent by mistake, so I hope you don't get involved in nosy, otherwise you will be at your own risk!”

“You can't hurt anyone, because you are a worthless trash!”

Lin Fan sneered, his face still full of contempt.

boom!

As soon as the voice fell, Wang Gamei was completely blown up.

He has eaten Lin Fan now, but this guy dare to look down on him?

“Okay, then I will let you see if Wang Gamei is a waste!”

The killing intent in Wang Boyi's heart was unprecedentedly high, and then suddenly roared:

“Two masters, please do it!”

When the voice fell, everyone became nervous, and they looked around with horrified eyes.

But at this moment, there were two more figures in the field without knowing when!

Everyone knew that Wang Boyi had met two great masters in his childhood, saying that he was a martial arts wizard that was rare in a century, so he made an exception and accepted him as a disciple.

One great master is enough for Lin Fan to drink a pot, two?

Lin Fan's wings can't escape!

Xu Longxiang can't keep him!

At the moment, everyone sneered.

Elder Li, who was on the side, was also relieved.

Although Lin Fan's background is all over the sky, he is about to become a dead person, and Wang Boyi will kill him. When the time comes, he will have nothing to do with his family.

Those two great masters were striding forward towards Lin Fan.

An extremely astonishing momentum emerged from his body!

People just stand by their side, and they can't help feeling that their livers are broken.

It's like two scourges!

And this moment!

Wang Boyi and others all smiled, gloating at the scene before them, as if Lin Fan is already dead in their eyes!

Da da da...

The two great masters are coming step by step!

Seeing this scene, Li Xunran also panicked and said to Lin Fan:

“Lin Fan, do you want to go? I don't need your help!”

Although he knows Lin Fan's strength, with one enemy and two, he is afraid that he will also lose the wind, right?

just!

Lin Fan laughed:

“Didn't you tell me to send the Buddha to the west?”

Lin Fan's words made everyone startled for a moment, and then they burst into laughter.

Send the Buddha to the west?

I am afraid that in a while, you are going to return to the West, right?

“Two masters, I changed my mind, don't let him die too happy, I want you to torture him to death slowly!”

just!

The two great masters who heard this didn't have any answer.

But under the unbelievable gazes of everyone, he suddenly knelt down towards Lin Fan, and then shouted in unison:

“Wang! We are here too!”
