

Chapter: 1722

boom!

Everyone was stunned by this!

Can't believe my ears!

What did they hear?

Lin Hongtu, was asking the other party's opinion?

That tone, as if deliberately seeking peace, there is no longer the arrogance and dominance of just now!

Oh my!

Are they dreaming?

With Lin Hongtu's identity and status, this time should be directly let Lin Fan kneel, and then knock Wang Gamei father and son a few bangs before getting out, right?

Why would you ask lightly, "What do you want?"

Something's wrong!

This is not right!

At this moment, Wang Boyi, father and son, and even the entire Wang family, felt their hearts throbbing with fear, staring at Lin Fan with that fearful eyes.

It's like watching a devil!

But Lin Fan curled the corner of his mouth, and a smirk appeared:

"What do you want? I just want them to die!"

What the hell?

When the Wang family heard this, their scalp exploded.

Facing Lin Hongtu, Lin Fan dared to say such arrogant words?

Want the Wang family to die?

It depends on the owner to beat the dog, but Lin Fan is going to beat his dog to death in front of the dog owner?

This can no longer be described as arrogant!

I don't know how to live or die!

However, everyone thought that this time, Lin Hongtu must be furious.

Lin Hongtu's next reaction surprised everyone.

"Lin Fan, give me a face and let them go!"

Lin Hongtu at the other end said with great shame.

Even, a little pleading!

Because he knew very well that threats were of no use to Lin Fan, and the other party was not afraid of him, the Lin Family, and it could even be said that they didn't put the Lin Family in their eyes.

If it comes hard, it will only backfire!

However, his grievances directly caused these two families to be scared to pee.

Lin Hongtu, actually begging this young man in front of him?

how can that be!

The Lin Family is now China's largest business empire, is there anyone they are afraid of?

crazy!

Everyone is going crazy at this time!

One by one, his eyes were splitting, and he was crazy, and even his breathing was completely confused.

The Wang family, who had just stood up, were forced to kneel down again at this time, with fear written on their faces.

They seem to have realized that they are too happy too early.

just!

Will Lin Fan give Lin Hongtu face?

The answer is naturally no!

Right now, he sneered and said:

"Give you face? What kind of thing are you? I can even kill your Lin family. What is it to kill a dog?"

"Today, you can't keep them! From now on, you can't keep the Lin family either!"

boom!

Lin Fan's words are ten times, a hundred times more overbearing than Lin Hongtu's words just now!

Even, ten thousand times!

Beat the Can Lin's house?

The situation that Lin Family suffers now is almost falling apart, all because of the man in front of him?

Oh my!

He is only in his twenties, can he overturn a business empire?

If you don't hear it with your own ears, no one believes it is true!

They originally thought that the situation the Lin family was facing recently was caused by internal struggles, because in the outside world of China, the Lin family was already invincible.

But what everyone didn't expect was that it was all because of the young man in front of him?

This moment!

All the kings are about to have incontinence!

One by one burst into tears, trembling with fear!

A man who can directly beat the Can Lin family can be offended by their little Wang family?

How could a man who even dared to beat the Lin family disabled them?

At this moment, all the royal family members are terrified to the extreme!

The whole body was trembling violently!

Then, they looked at the phone nervously, looking forward to Lin Hongtu's next response.

just!

Toot toot...

On the other end, he just hung up the phone!

what!!!

The Wang family's eyes are splitting, and they are completely crazy!

Facing Lin Fan's provocation and humiliation, Lin Hongtu's response turned out to be...

Ignore it? ??
