

Chapter: 1752

“Lin Fan!”

On the way out of Song’s house, Bai Yi grabbed Lin Fan’s hand with concern.

Lin Fan smiled lightly and said:

“Don’t worry, I have nothing to do!”

“Don’t be sad, you still have us. My parents and I are your family members. We will always be by your side.”

Lin Fan patted Bai Yi’s hand and said with a smile:

“Now, do you know who I am?”

Bai Yi smiled softly and said:

“Although I have already had doubts, the moment I learned the truth, I was still taken aback.”

“Lin Fan, now I am more and more afraid of losing you. I feel that I am no longer worthy of you. What should I do?”

“fool!”

Lin Fan rubbed Bai Yi’s head and comforted:

“No matter what I become, you are my favorite woman Lin Fan.”

Hearing this, Bai Yi was also extremely moved in his heart, and put his head on Lin Fan’s chest, with a happy expression on his face.

But when they arrived at the Washington Pharmaceuticals, Lin Fan and Bai Yi saw people they were familiar with.

“Parents, why are you here?”

It turned out to be Shen Yumei and Baishan.

Shen Yumei and his wife were not very happy when they saw Lin Fan.

On the contrary, their expressions were a bit embarrassing.

Oh, Bai Yi, it seems that it was posted. This sleek dress is just like the big boss.

At this moment, a teasing sounded, and then three people appeared in front of them.

“Cousin!”

The moment Bai Yi saw them, Bai Yi’s face was not so good, but he still yelled politely.

“Ho ho, do you still have my cousin in your eyes? I haven’t come to visit for so long, and I have to come to you personally. Why do I look down on people after I get rich?”

Baishan’s cousin Wang Youcai sneered, with an air of arrogance.

“Cousin, you misunderstood, I have been too busy this time.”

Bai Yi also knew that this family was difficult to deal with, so he didn’t bother to have general knowledge of the other party.

Wang Youcai snorted coldly, and said with a strange yin and yang:

“Being a human, don’t forget your roots. If it weren’t for the two catties of steamed buns our family gave you back then, you would have starved to death.”

Bai Yi’s family frowned. Baishan was always unwelcome in Bai’s family.

Later, because of the birth of Bai Yi, the patriarchal patriarch was despised, and Bai’s family was driven out of their own accord.

The desperate Baishan asked Wang Youcai’s family to borrow money, but Wang Youcai ruthlessly rejected them and threw them a pack of buns that were already rotten.

But anyway, Wang Youcai helped them, so they are still grateful to Wang Youcai.

Bai Yi’s expression was very embarrassing, and he didn’t know how to answer, so he could only smile and said:

“Bai Yi naturally hasn’t forgotten.”

“Forgive you for not dare!” Wang Youcai snorted triumphantly.

At this time, Wang Youcai’s son Wang Zhijun took a step forward and glanced at Lin Fan contemptuously:

“This is your rubbish husband, he looks really poor, why do you think of such a stuff?”

Lin Fan was immediately stunned. The fat man in front of him looks much more fucked than him, okay?

Obviously he was in his forties, but he was hip-hop and old-fashioned, and the big golden chain around his neck could be seen at a glance that it was fake.

Just like this, dare to pretend to be in front of him?

Afterwards, Wang Zhijun said in a humiliating manner:

“Well, I don’t have any eyesight, come and help me carry my luggage.”

Lin Fan wondered if he had misheard. It was the first time I met, and Wang Zhijun called him five and six?

What kind of relatives is this?

Bai Shan and Shen Yumei were even more embarrassed, looking at Lin Fan nervously, for fear that Lin Fan would be angry.

Fortunately, Lin Fan didn’t bother to be familiar with the other party.

He went up to carry his luggage, and then put it in the trunk of the car.

“I’m starving to death, take us to eat!”
