

Chapter: 1763

Ok?

Lin Zongrui was stunned. He originally thought that Lin Fan would be paralyzed when he saw this situation, but he didn't even think that this guy would even dare to threaten him?

It's just looking for death!

"Dog things, do you think you can kill me by yourself?"

"With me, there are already four Grand Masters alone. Why do you?"

And this time!

Lin Fan sneered and said:

"I will tell you, why should I!"

Ahhhhh!

As soon as the voice fell, there was a screaming scream resounding outside.

what!

Lin Zongrui and the others changed their expressions wildly, and then quickly looked out the window, and suddenly saw a piece of blood clothes slaughtering the members of the temple.

And the first person was particularly dazzling. When they saw him, Lin Zongrui and Mei Yingxue couldn't help but numb their scalp.

That turned out to be...the mad god of blood hell!

Impossible, this is impossible!

How could the enemy of their temple suddenly appear here?

After that, Lin Zongrui looked at Lin Fan in horror:

"You...how can you use the power of the blood hell, who are you?"

The mad gods of the blood prison are here, he is the leader of the blood prison, who directly obeys the king of the blood prison, who else is qualified to mobilize him besides the king of the blood prison?

What exactly is going on?

At this time, the blood prison mad god had broken the throat of a great master and was grinning at them outside the window.

This directly caused Lin Zongrui to explode!

"A dead person, you don't need to know so much!"

Lin Fan looked cold, and then shouted violently:

"The Blood Prison hears the order, slaughter all the members of the temple and the Mei family!"

"Don't keep one!!!"

boom!

Lin Zongrui and Mei Yingxue were completely shocked when they heard the screams resounding.

They all thought they would eat Lin Fan, but they didn't think that Lin Fan was even qualified to use the power of the blood prison.

Even the mad god of blood hell has come out himself!

This is driving them crazy!

Lin Fan, how could there be such an ability?

This guy is obviously a wild species, even if he is a great master, he is not qualified to associate with the entire blood prison.

What exactly is going on?

Moreover, the blood prison mad god brought this time, but the strongest person in the entire blood prison is now slaughtering the members of the temple.

In the face of such terrifying power, the temple has no room for resistance!

In just less than a minute, he was slaughtered by the blood prison.

Even the four great masters were dead and wounded, and the only ones left were already holding their heads in their arms, and they had no intention of fighting.

Puff!

Mei Yingxue fell to the ground in despair. After seeing this scene, she had already expected her end.

She looked at Lin Zongrui very bitterly:

"Lin Zongrui, the last thing I regret doing in my life is to work with you, an idiot!"

If this guy was so conceited, but unexpectedly assassinated Lin Fan, maybe they wouldn't face such a situation now.

But now, it's too late to say anything!

The blood prison slaughtered the sanctuary to death, then they were next.

At this moment, Lin Zongrui was too scared to speak, and the scene before him had completely stunned him.

He thought he had a chance to win and would kill Lin Fan!

But I never thought that this wild species could mobilize the power of the blood prison, and even the blood prison mad god would bow to him. This is simply an illusion!

Scared!

Lin Zongrui was completely scared!

Lin Fan now has the power to contend with him, and now Lin Fan will definitely kill him at all costs.

After all, he did such an excessive thing!

"Lin Fan, behind me is the sanctuary. If you dare to kill me, you will be an enemy of the entire sanctuary. Even if there is blood hell to support you, you still cannot escape to death!"

Lin Zongrui quickly warned Lin Fan.

"is it?"

Lin Fan sneered, then picked up a knife, and then severely chopped it down towards Lin Zongrui's shoulder.
