

Chapter: 1770

Without hesitation, he punched the opponent's head with a slam dunk.

哐嚓!

The latter's head burst instantly.

what!

A group of people were completely stunned, all wondering if they were dazzled.

One person died as soon as the Seven Original Sins appeared on the scene.

Isn't it a dream for them?

How could this guy be so strong?

Even the mad god of blood hell doesn't have such an ability, right?

crazy!

Not only waiting for people to go crazy, but even the seven original sins are going crazy!

They have never encountered a trick that can kill them in seconds.

This inconspicuous kid in front of him has such a terrifying strength?

On Lin Zongrui's side, the hearts of the three grandparents who had just let go, were forced to hang up again at this moment.

Especially Lin Zongrui, he was ready to humiliate Lin Fan. As a result, Lin Fan killed one of the Seven Original Sins as soon as he shot it. This kind of terrifying power was too desperate.

But Lin Fan also ignored the shock of everyone, and said with a grin:

“Since you are looking for death, then I will fulfill you!”

Talking!

Lin Fan stepped out, with a fierce aura, and culled like a scourge.

“Take Lin Zongrui away!”

One of the Seven Original Sins yelled, they knew that it was not appropriate to stay here for long.

In addition to the blood prison mad god, there is also a terrifying man with unknown strength.

Let them dare not stay for a long time, they must escape at this time!

Otherwise it is a dead end!

However, the man was beheaded on the spot just as he finished speaking.

And the person who made the move was the bloody mad god!

He smiled slyly and looked at the Seven Original Sins, and said unkindly:

“Do you think that our blood hell does not exist?”

The seven original sins are desperate. There are wolves before and tigers behind.

Now that they have just shot, two people have died. How can they win next?

“The intelligence is wrong, withdraw quickly!”

They already know that today's rescue opportunity has completely failed.

Lin Zongrui could not be saved, and even if they continued to love the war, they might explain it here.

The young man in front of him turned out to be the biggest threat.

When did the blood hell have such a number one person, why didn't they know?

And the blood prison mad god and others just sneered. These idiots of the seven original sins actually attacked the strongest king of the blood prison as soon as they came. This is simply seeking abuse on purpose, and death is not a pity.

Huh huh!

The seven original sins come quickly and go quickly. All ran away in a blink of an eye.

Senseless!

The Lin family were all dumbfounded. The Seven Original Sins had just come, and they were scared away as a result?

That is the invincible seven sins of the entire European continent.

How can this be so special?

Puff!

Lin Zongrui was completely scared and paralyzed to the ground, his face was already ashamed.

As a senior in the temple, no one knows the strength of this small team better than him, and even they have given up on rescuing themselves.

Then he is really over!

“Is there any other means? If so, you can use it together, I'll wait for you!”

Lin Fan looked at Lin Zongrui indifferently and said.

And his indifferent words that fell in Lin Zongrui's ears were shocking to the world.

This is the real Wushuang overbearing!

Pretentious, invincible!

It seemed that everything in the world didn't enter Lin Fan's eyes.

“Is there any? Then you can go to death!”

Lin Fan said coldly, and then suddenly stepped forward!

Lin Zongrui's head burst open when he heard a squeak, and it instantly melted into a piece of flesh.

Tragically died on the spot!

This scene stunned everyone present.

“Do not!!!”

And Lin Hongtu wailed very sadly, because this was the last bloodline of their Lin family

But now Lin Zongrui is also dead, and their Lin family is completely extinct!
