

Chapter: 1826

“Mom, can you say a few words less? That is Bai Yi’s husband after all, don’t you think this is too much?”

Xu Yourong angrily accused.

“I just want Bai Yi to give up. What’s so good about that rubbish? In the future, I will introduce her to a tall, rich and handsome man.

Wang Yanli made a cut, with a nonchalant appearance.

“Trash? Do you know who he is? He is the famous genius doctor Lin. Do you despise him? People still despise you!”

Xu Yourong roared furiously, Wang Yanli was short-sighted and short-sighted!

what!

Being so humiliated by Xu Yourong, Wang Yanli suddenly became angry:

“You damn girl, how did you talk to your mother, do you still have my elder in your eyes?”

“How long has it been with Lin Fan, it has become so big and small, it’s really black if you are close to Zhu, and you are black. I think that kid is good if he is dead, and the province will lead you to bad!”

“you!”

Xu Yourong was so angry that Wang Yanli couldn’t even speak.

His whole body was trembling about it.

“Also, you said that kid is the genius doctor Lin, so only you would believe his nonsense, right?”

Wang Yanli laughed ironically, as if she didn’t believe it at all:

“I also said I am Lin Zuo!”

Then, Wang Yanli sneered and looked at Bai Yi:

“Bai Yi, I advise you to hurry up and prepare for the waste, because it won’t be long before you have to be a widow, hahaha!”

Hear the words!

Everyone present changed their expressions and stared at Wang Yanli with angry eyes.

This woman is too much!

So far, not only has there been no mercy, but also cynicism?

This makes the Baiyi family more and more hostile to Wang Yanli!

“I’m afraid, I have to let you down!”

Ok?

And everyone turned their heads in doubt, and saw Lin Fan standing at the door with a smile.

“Lin Fan?”

Bai Yi and Xu Yourong both beamed with joy and rushed up quickly.

“Are you in trouble?”

The two asked in unison.

After asking, Bai Yi looked at Xu Yourong in astonishment, again a trace of hostility appeared in his eyes.

Xu Yourong also lowered her head shyly, knowing that she had overreacted.

At this time, Wang Yanli seemed to have seen a ghost.

Looking at Lin Fan in horror:

“You...you have nothing to do?”

Why is this guy back?

Isn’t he arrested?

How did Huo Dongying let out this nasty guy?

He obviously offended the Lin family?

Lin Fan also smiled and asked:

“Why, let you down?”

Wang Yanli’s face suddenly sank, and she said furiously:

“Hey, even if you take the shit luck and escape, but you can’t hide from the fifteenth day of the first year, you still have to die!”

“If you offend the Lin family, you are destined to be near death.”

That’s the Lin family. Who can save the person that the Lin family wants to kill?

There has never been anyone who can survive from the Lin Family!

But Lin Fan smiled contemptuously:

“Then don’t bother you.”

Wang Yanli also felt boring, and said in anger:

“Xu Yourong, hurry up with me”!

But Xu Yourong didn’t listen at all, and said coldly:

“Mom, let’s go! I won’t become your money-making tool!”

She has already decided and can’t go on like this.

Her mother is a vampire. This time she can push herself into the fire pit for money. Who can guarantee what she will do next time?

Xu Yourong never thought that his mother would become the most dangerous person.

what!

Wang Yanli suddenly became angry, went up and slapped Xu Yourong, and then angrily cursed:

“You bitch, I raised you so much, so you talk to me like this? Do you still have my mother in your eyes?”
