

# Chapter: 1829

Lin Zhanxi roared.

Zhang Jianjun sneered and replied:

“So what? In addition, I would like to inform you by the way. At present, all the connections of your Lin family in the imperial capital are broken, and no one can forgive you for offending the mysterious Mr. Lin for your sake.”

Overseas sales channels were cut.

Interconnections in the Mainland have been interrupted.

Lin’s back and abdomen were enemies.

Did this really happen? !

Lin Zhan’s head was dizzy, and he forced himself to stand firm.

Seeing Lin Zhan’s appearance, Zhang Jianjun suddenly laughed and said loudly:

“I can tell you, just because of your stupid behaviors of the Lin family, you have offended Mr. Lin and affected all walks of life. The above is extremely dissatisfied with you!”

“Your Lin family is now an abandoned child. It is only a matter of time before being abandoned!”

As a government official, Zhang Jianjun will not be false in what he said!

“Hahaha, hahaha,”

Lin Zhanli laughed on his back, crying as he laughed, and said madly:

“My dignified Lin family, after hundreds of years of time, will eventually be planted in the hands of wild species raised by my own family. It is ridiculous, ridiculous! Hahaha!”

He frantically tore the paper official document in his hand to pieces, and suddenly threw Zhang Jianjun’s face with scraps of paper with a wave of his hand.

When Zhang Jianjun was about to yell at him, Lin Zhanli grabbed his collar again.

“Liar, you are all liars, you are all big liars!” Lin Zhanli yelled, staring blood-red eyes.

Zhang Jianjun pushed hard and pushed him to the ground, angrily scolded.

“Ho ho, it’s useless to become angry from embarrassment, your Lin family’s initiative is to ruin your family! Get out of here, rubbish!”

When Lin Zhanyu got up from the ground and was about to rush over again, Zhang Jianjun waved a punch on his right eye socket, then screamed and fell to the ground.

Zhang Jianjun pressed the pager on the desk while sorting out the clothes that Lin Zhanli grabbed.

“Security, come to my office and throw this madman out!”

Soon, four security guards rushed in from outside the office, some pulling their arms and some raising their legs, erected Lin Zhanli and walked outside.

Lin Zhanji struggled fiercely, yelling.

“Zhang Jianjun, you bastard, you must have taken advantage of that guy Lin Fan, I will sue you, sue you!”

Zhang Jianjun commanded loudly.

“Security, let him shut up!”

The four security guards threw Lin Zhanli on the floor of the corridor and pressed him hard.

A security guard immediately took out an electric shock baton and stabbed it into Lin Zhanli’s armpit.

Lin Zhanxi immediately shook his whole body like chaff.

But Lin Zhanli was still quite strong, shivering and even shouting curses.

The security sneered and stabbed him with an electric shock baton again.

This time, Lin Zhanyu was shaking violently, and his entire face became distorted, and he could no longer bother to yell at him.

He was picked up by four security guards and threw him on the road outside the Washington Pharmacy gate like trash.

---

In the afternoon, on the balcony of a villa.

Yao Lao was lying on the rocking chair with his eyes closed and rested, but he was still thinking about things in his heart.

Lin Fan, as a direct disciple of the genius doctor Liang Wangsun, has always refused to sit for consultations and give lectures.

He and many old friends in the industry did not hesitate to force his apprentice Li Xunran to approach Lin Fan, trying to exchange Li Xunran as Lin Fan’s girlfriend, so that Lin Fan could agree to come out.

But things backfired, no matter if he had an old face, let Li Xunran try to get close to Lin Fan, so far, it has had no effect.

Thinking of this, Old Yao slowly opened his eyes and let out a long sigh.

Suddenly, Li Xunran’s urgent call sounded in the living room.

“Master, where is your old man’s house?”

Listening to Li Xunran’s fierce shouts, Yao Lao frowned, and responded in an angry manner.

“I’m on the balcony, what is a girl’s doing?”
