

Chapter: 1836

Li Xunran stood on the ground, slapped Wang Yanli and asked with a sneer.

“Please forgive me, right?”

She was slapped, but Wang Yanli did not dare to complain, because she knew that the little girl in front of her could not provoke her, so she nodded and said:

“Yes, yes, I ask you to forgive me, I was wrong.”

This is the master who bullies the soft and fears the hard!

Li Xunran took another step forward, waved and slapped Wang Yanli again, leaned forward and asked with a smile:

“I can’t hear you clearly, what did you just say?”

Wang Yanli thought it over, let alone getting two slapped slaps, she had to endure a fat beating, as long as Li Xunran could calm down.

He nodded and smiled and said, “Miss Li, what I said is, I sincerely ask you to forgive me.”

Li Xunran lifted his leg and kicked over, kicking Wang Yanli upside down.

“Hoho, what a joke!” Li Xunran scolded Wang Yanli, who was lying on the ground with fingers:

“Just now you called me a junior, a junior who was raised by Lin Fan, where is your arrogant energy?!”

Wang Yanli got up with a grunt, then knelt down in front of Li Xunran, slapped herself alternately with both hands, banging and saying:

“I’m wrong, I’m really wrong, I shouldn’t talk nonsense. Damn me, please forgive me, Miss Li!”

Lin Fan pretended to be sympathetic and persuaded.

“Miss Li, I think you should forgive them. After all, he is a relative of my daughter-in-law, even if you give me face.”

Wang Youcai and Wang Yanli suddenly grieved and looked at Li Xunran beggingly.

Li Xunran “cut” and nodded and said:

“Forgive you, promise me one thing first.”

“You said, as long as I can do it, I will definitely agree!”

Wang Yanli said hurriedly.

Li Xunran “bang” grabbed Lin Fan by the collar, dragged him in front of him, and pointed his finger at him.

“Your daughter is the supervisor, right? Tell her, this employee, as long as I need it, even if I call or come to him during work hours, I have to let me go.”

Wang Yanli immediately nodded and agreed: “If there is a problem, I must tell my daughter, as long as you come to Lin Fan, or call Lin Fan, she will definitely not stop her.”

Wang Yanli is disgusting!

Originally wanted to sweep Lin Fan out, but now it seems that it is not enough.

And not only was he unable to expel Lin Fan, he was also forced to agree to the other party’s request, so that this fellow Lin Fan could become a free soldier in Washington D.C. Pharmacy.

But if he doesn’t agree, even if Xu Yourong is moved out, there will be no way of doing things with Miss Li.

“Okay, okay, as long as you need it, Lin Fan can leave at any time.”

Wang Yanli agreed.

“Count you acquaintance!” Li Xunran smiled slightly: “Lin Fan, let’s go”

Li Xunran reached out and grabbed Lin Fan’s tie, turned around and put the tie on his shoulder, dragging Lin Fan out.

Lin Fan was dragged staggeringly, trying to distance himself from Li Xunran’s body.

Watching the two of them walk out of Washington Pharmaceuticals, Wang Yanli stood up, her cheeks were burning and her knees were a little bit painful.

Wang Zhijun screamed uninterestingly next to him:

“Yeah, aunt, your face is swollen!”

Wang Yanli glared at Wang Zhijun and cursed: “I don’t know him, don’t you need to say!”

Wang Youcai stepped forward and said in a suspicious tone:

“That guy Lin Fan, is this a peach blossom luck? Why did Miss Li’s family post him upside down and chase him?”

Upon hearing this, Wang Zhijun immediately became angry, and said with extreme jealousy:

“Oh, people are better than people, maddening people. I am much better than him. I don’t even like women. On the contrary, that guy is chased by beautiful women.”

“But I think that Miss Li’s picture is fresh for a while. After playing for a while, maybe she dumped Lin Fan’s waste.”

“Well, it’s possible.” Wang Youcai nodded and said:

“The eldest lady of the rich family is just like the brothers of the rich family. People who have capital and want to change men are not just a sentence.”

“I don’t care if he is out of shit luck, he caused me to be humiliated by Li Xunran like that, and I want him to die!” Wang Yanli shouted annoyedly.

“Damn, dead waste Lin Fan, I will never let you go!”
