

# Chapter: 1840

what?

Wang Yanli's face is green. Did Wang Zhijun sell him?

“Wang Yanli, you bitch, you are really making a ghost, I'm fighting with you!”

Shen Yumei roared angrily, then directly picked up a quilt and smashed it towards Wang Yanli, and then smashed to pieces with a snap.

Wang Yanli's scalp was numb immediately, if she hadn't noticed something was wrong early in the morning, she would have to get a headshot just now!

Seeing Shen Yumei's murderous appearance, how dare she continue to stay here for a long time, and hurriedly rushed out.

And seeing this, Wang Youcai was also sternly inwardly saying:

“Shen Yumei, you... how can you treat your savior like this, forget your blessed buns?”

“Get out! Get out of me!”

But Shen Yumei had lost her mind, and she didn't listen to Wang Youcai's words at all, so she picked up an ashtray and smashed it again.

“Oh my God!”

Wang Youcai screamed, and quickly grabbed Wang Zhijun and ran around with his head, and fled here as quickly as possible.

But at this time, Li Xunran took a step forward and said to Bai Yi in a proud voice:

“Bai Yi, give Lin Fan to me! You are not worthy of him!”

what!

When Shen Yumei's family heard this, their lungs were blown up!

It's really shameless to be so arrogant to be a junior.

How could there be such a person!

Bai Yi immediately scolded angrily:

“Why?”

She and Lin Fan have been married for three years, so why can Li Xunran be so right and confident to let him abdicate and become virtuous?

Lin Fan is her husband, and this woman is not qualified to point fingers!

“Ho ho!”

Li Xunran laughed:

“Why? It's simple! People you don't know how to cherish, naturally someone will cherish for you!”

“Lin Fan is just a waste to you, but to me it is a treasure! I can be compliant with him, and I can respond to all requests!”

“More importantly, I can help him rise to the top and make him a dragon and phoenix among people, instead of just humiliating him and despising him like you do!”

Li Xunran's words were too suffocating, and Bai Yi couldn't find a reason to refute.

She realized at this time that her husband was so good that a good woman like Li Xunran would have to rob him of being a junior.

at this time!

She is scared!

I was afraid that Lin Fan would really fall into Li Xunran's arms because he was tired of her.

“Husband! I am pregnant with your child, you can't do this to me! Even if you don't look at my face, you also look at the face of the child, he needs a home!”

Bai Yi cried and said to Lin Fan, his eyes were full of pleading.

At this moment, her pitiful appearance seemed to be about to cry.

At this time, Shen Yumei also said with a look of guilt:

“Xiao Fan, it's mother that's not good! It's mother who misunderstood, you must not divorce Bai Yi, she can't leave you!”

“She is pregnant with your child. You can't divorce her, otherwise the child won't have a father!”

“Or, Mom will kneel down for you!”

Shen Yumei was about to kneel to Lin Fan while crying.

But Lin Fan rushed up, and then quickly helped Shen Yumei up:

“Mom, what are you doing?”

Li Xunran's face sank, glaring at Bai Yi:

“Bai Yi, it's too mean to use children to play emotional cards, right?”

“To shut up!!!!”

As soon as Li Xunran's voice fell, there was an extremely angry roar!

And Lin Fan stared at Li Xunran with murderous aura:

“you can go now!”

“Lin Fan, you...”

Li Xunran was shocked by Lin Fan's hideous appearance. Lin Fan looked like he was going to eat people.

Terrible!

“You scared my woman!”

Lin Fan's voice was so cold that it was suffocating.

“So I can only ask you to leave!”

Obviously!

Li Xunran's behavior has touched Lin Fan's bottom line.

He once swore that he would never let Bai Yi shed tears, but because of Li Xunran's nonsense, he made his woman so sad!

This is unacceptable to him!

“you!”

Li Xunran was screaming, she was obviously venting for Lin Fan, but this guy actually bit Lu Dongbin with a dog, and he didn't know good people!

Then, Li Xunran stomped his feet with anger, and then said angrily:

“Bai Yi, I won't give up!”

With that said, Li Xunran turned and left angrily!

Lin Fan put Bai Yi in his arms and said softly:

“Wife, don't worry! I will never leave you, nor will I leave our children!”

Bai Yi hugged Lin Fan tightly and cried hoarsely:

“It's enough to have you!”

As long as Lin Fan's heart belongs to her, no matter how many beautiful women come, she won't be afraid!

.....

But this time!

When Wang Yanli and others walked out of the hotel, Wang Yanli directly slapped Wang Zhijun backhand and knocked Wang Zhijun to the ground.

Wang Yanli yelled like a mad woman:

“Wang Zhijun, you are so kind, dare to show me? You deliberately let the family see me jokes, right?”

If it hadn't been for Wang Zhijun to turn back, they would have swept Lin Fan out.

Wang Youcai also followed Wang Zhijun and ranted:

“Wang Zhijun, what on earth are you doing? Why did you turn back in the middle? Are you crazy?”

But Wang Zhijun covered his face and snorted coldly:

“You are stupid, I'm not stupid, I still don't get the money, how can I sweep Lin Fan out at this time, have you forgotten our original plan?”

Ok?

Wang Youcai and Wang Yanli were both stunned, and it was like waking up from a dream.

“You mean, you still want to blackmail Lin Fan severely once?”

“if not?”

Wang Zhijun curled his lips and said with a sinister smile:

“If you just sweep him out, wouldn't it be too cheap for him?”

“How can I get some money from him, at least 500 million!”

boom!

Wang Youcai and Wang Yanli were completely shocked, five hundred million?

Is Wang Zhijun serious?

They have never seen so much money in their entire lives!

Wang Yanli snorted and said contemptuously:

“That dead poor ghost can have so much money? You still say you are not an idiot?”

Wang Zhijun disagreed, and said with a smile:

“He doesn't have it, doesn't Bai Yi also have it?”

“Don't you see how much Bai Yi cares about that waste? Let alone five hundred million, she will give it a lot!”

As soon as this remark came out, the brothers and sisters Wang Youcai were tempted.

“Baiyi has a company the size of Xinbaishi. Isn't it easy to take 500 million yuan?”

“Auntie, if you really see that rubbish is not pleasing to your eyes, you can clean it up after we get the money.”

Wang Zhijun said sinisterly.

Wang Yanli nodded, her eyes opened when she saw Qian:

“Yes, yes, you are right, you have to get some money from him, and then drive him out of the Bai family, so that others will lose money.”

“That's right!”

Wang Zhijun laughed loudly:

“Auntie, we have an appointment with Lin Fan and Xu Yourong tonight. We are ready for a showdown.”
