

Chapter: 1841

“If he doesn’t pay the money tonight, he will directly break the news to Bai Yi, so that he can’t eat it!”

“You are still smart!”

Wang Youcai also smiled and patted Wang Zhijun on the shoulder, as if he had seen five hundred million in his pocket.

In the evening, Lin Fan and Bai Yi’s family were eating, and then they received a call from Wang Zhijun.

“Who?”

Lin Fan asked.

“It’s me, Wang Zhijun!”

Wang Zhijun said boldly, looking like Laozi is invincible in the world.

Toot toot...

However, Lin Fan hung up the phone directly, too lazy to talk to this idiot.

Wang Zhijun on the other end was completely dumbfounded, as if he couldn’t believe that Lin Fan dared to hang up his phone.

“Wang Zhijun, what’s the matter, what do you say about the trash?”

Looking at Wang Zhijun with a surprised look, Wang Yanli asked incomprehensibly.

Wang Zhijun roared with a gloomy expression:

“That damn trash, he dared to hang up my phone!”

what!

“That waste is so arrogant?”

Wang Yanli said with a gloomy face, and she felt angry in her heart.

Lin Fan’s handle is in their hands, so he dare to be so arrogant?

“Call him again, and if he dares to hang up, we will just ask him to ruin him.”

Wang Zhijun called Lin Fan again angrily.

“Hey?”

Lin Fan’s impatient voice came from the other end.

“Lin, if you dare to call me again, I promise you will regret it!”

Wang Zhijun directly roared.

Lin Fan smiled and asked:

“What’s the matter with me?”

“Are you pretending to be stupid? Have you forgotten that your handle is still in my hand? Believe it or not, I will give your wife a video of you and Li Xunran’s intimate relationship?”

Wang Zhijun laughed in anger, this trash still has the face to ask him what’s the matter?

Can it be installed?

Over there!

Lin Fan’s face sank. He had expected Wang Zhijun and the others would not give up so easily, and they really came to find fault again.

Right now, he asked in a bad tone:

“What do you want?”

With his understanding of the family, I am afraid that if he does not blackmail himself a sum, they will not let it go.

Seeing that Lin Fan was scared, Wang Zhijun said triumphantly:

“Tonight, I will open a box in the best five-star hotel in the Imperial Capital. I have all the good wine and food. After ordering, call me and let me know. I will tell you our conditions!”

Having said that, Wang Zhijun hung up the phone arrogantly.

There was a deep sense of pride on his face, it seemed that Lin Fan would do it after he was overwhelmed.

It’s seven o’clock in the evening!

Lin Fan indeed opened a box waiting for Wang Zhijun and the others.

It’s not that I’m afraid of them, but I don’t want to grow out of it.

After all, Bai Yi is now in an extremely sensitive state, and Lin Fan doesn’t want to continue to stimulate him.

So if Wang Zhijun just wants money, then Lin Fan also hopes that he can make money and eliminate disasters and solve these problems.

And this time!

The box door was pushed open, and a person walked in.

Lin Fan glanced intently, and then suddenly lost his color:

“why you?”

And the other party didn’t even think that Lin Fan would be here, and asked in surprise:

“Lin Fan, why are you here?”

It is not someone else who is here, but Xu Yourong!

Lin Fan gave a wry smile and said:

“It seems they didn’t tell you.”

Ok?

Xu Yourong became more confused, and asked inexplicably:

“tell me what?”

The voice just fell!

Behind Xu Yourong was the laughter of Wang Yanli and others.

And Wang Zhijun completely regarded himself as the master of this meal, and said triumphantly:

“All here? Then sit down?”

Xu Yourong was even more puzzled. Wang Zhijun actually invited her and Lin Fan at the same time?

What are you going to do?

What do they have to chat with Wang Zhijun?

Xu Yourong also realized that this meal was not as simple as she had imagined.

Wang Zhijun glanced at the table full of good wine and food, and then nodded in satisfaction:

“Yes, yes, your kid is still interesting, so I won’t be embarrassed by you. You can buy your crime evidence for five hundred million!”

Five hundred million?

Xu Yourong was shocked suddenly!

At this time, she understood, Lin Fan had a handle in Xu Yourong’s hands?

What handle is worth five hundred million?

Now!

Xu Yourong’s face suddenly sank, and he scolded Wang Zhijun angrily:

“Wang Zhijun, what did you do?”

Hear the words!

Wang Zhijun glanced at Xu Yourong indifferently, and then said with extreme contempt:

“Nothing, but just taking some pictures!”

Then, Wang Zhijun threw out a bunch of photos!

Among them, Lin Fan was forcedly kissed by Li Xunran, and Lin Fan was hugging Xu Yourong!

Xu Yourong was stunned in an instant. The photo of her and Lin Fan was not the same as when Lin Fan took her to the hospital after she rescued her last time in the hotel?

But Wang Zhijun actually planned to use this to blackmail Lin Fan?

brute!

It’s a beast!

Lin Fan had no choice but to hold her to save her, so Wang Zhijun would even make a fuss about this?

“Wang Zhijun, how can you be so shameless? Lin Fan was to save me!”

Xu Yourong roared hysterically, she had only deep dislike for Wang Zhijun at this time.

I have never seen such a disgusting and shameless person in my life!

But Wang Zhijun didn’t care at all, he laughed extremely shamelessly:

“Scold it! As long as this rubbish gives me five hundred million, he can scold me whatever he wants!”

At this time, Wang Zhijun only had money in his eyes!

Just give him money, Lin Fan and Xu Yourong can scold him whatever they want!

Xu Yourong trembled with anger. She knew that someone as shameless as Wang Zhijun didn’t care about his face at all.

There is no way to make sense!

And Lin Fan was also amazed that Wang Zhijun dared to speak so loudly, directly asking for five hundred million?

He originally thought it could be done by tens of millions at most, but after all, he underestimated the shamelessness of this family.

Lin Fan sighed and smiled:

“Five hundred million, don’t you think it’s too much? Why do you think I can have five hundred million?”

“As you said, I’m just a door-to-door son-in-law. It’s all a problem to have a full stomach. Where can there be so much money?”

but!

Wang Zhijun didn’t buy it at all!

He snorted coldly:

“Lin Fan, you don’t pretend to be garlic. Yesterday we all saw how much Bai Yi loves you. As long as you speak, can she not give the money?”

“Five hundred million, one point can’t be less! If you don’t give it, we will give these photos to Bai Yi, then she will definitely divorce you, and you will be completely empty of money and wealth!”

Wang Zhijun believes that Lin Fan will definitely give the money!

Because if Lin Fan didn’t give it, the loss would be more than 500 million!

As long as Lin Fan is not an idiot, he must have given the money obediently.

“So you are using Bai Yi’s love for me as a bargaining chip to blackmail me, right?”
