

Chapter: 1848

Hear the words!

Lin Hongtu could only give up, and then stared at Lin Fan angrily.

But at this time, Lin Zhanxi smiled grimly:

“Lin Fan, you can wait for half an hour, but your wife and family can’t wait for half an hour.”

Lin Fan’s face sank, and he glared at Lin Zhanxi:

“what have you done?”

“Hahaha! I can’t do anything, just order my people to rape and kill your wife first!”

Lin Zhanxi laughed fiercely, as if looking forward to the scene where Lin Fan became angry from shame.

only!

He thinks too much!

Lin Fan still has a self-confident expression, and doesn’t care at all:

“Unfortunately, your wishful thinking is about to come to nothing!”

what!

Hearing this, Lin Zhanli’s expression suddenly changed, saying in disbelief:

“What do you mean?”

This guy knows that his wife and child are dying, so he is not nervous at all?

“The person who called you, ask what is going on!”

Lin Fan sneered, he wanted to see if Lin Zhanyu could laugh.

How could Lin Fan be so stupid that he didn’t arrange for someone to protect the Baiyi family?

now!

Bai Yi’s surroundings can be said to be heavily guarded, and a fly can’t even approach it for half a step.

Nowadays, apart from the blood prison, even the Dragon and Tiger Legion is secretly protecting them. Who can hurt them?

Lin Zhanli’s people were afraid that if they couldn’t get close even one step away, they would be shot dead on the spot!

then!

Lin Zhanli also became nervous, and quickly took out his mobile phone to dial his own phone, but a heart-piercing scream came from the other end:

“My brother, my brothers are all dead! That woman is ambushing next to him again!”

“We’re fucked!”

Toot toot...

Then, the phone was forced to hang up, and the life and death of the people on that end was also uncertain.

Lin Zhanyu was completely stunned!

Before Lin Fan came here, he set an ambush!

The people who made him are overthrown?

how can that be!

In order to deal with Lin Fan, he arranged for a strong player in Xie!

“You cheated me?”

Lin Zhanli gritted his teeth with hatred, and didn’t think that before he died, he would make him place a piece of this rubbish, which made Lin Zhanli disgusting.

This damn bastard!

“If you give me a big gift, then I have to give you a big gift too!”

Lin Fan sneered, then stared directly at Lin Hongtu:

“I remember I warned you that if you shoot me, you will have to kill me, so that I won’t have a chance to turn over, but why don’t you listen?”

Hear the words!

Lin Zhanxi called a qi and snorted coldly:

“Little beast, you won’t be proud of it for long! After you die, won’t your wife and children still fall into my hands? It’s just a matter of time!”

“Do you think that if a few ants die, I will feel distressed?”

Ho ho!

Lin Fan sneered a few times, and then said astonishingly:

“Then if your Lin family saved 500 billion yuan, would you feel distressed?”

boom!

For a moment!

Lin Hongtu and Lin Zhanxi’s hairs suddenly stood up!

Looking at Lin Fan in disbelief.

This guy, how did he know that the Lin family had loaned 500 billion?

They have never announced this matter to the public at all, and only their father and son and Global Bank know about it.

How did this guy know?

Now!

There is a bad premonition in their hearts!

“You... how did you know?”

Lin Hongtu stared at Lin Fan in horror.

But Lin Fan made an understatement:

“Because I am the one who gave you the loan!”

“By the way, I forgot to tell you, I am the chairman of Global Bank!”

What the hell?

Upon hearing this, Lin Hongtu and Lin Zhanli were both stunned.

then!

puff! Hahaha!

The father and son burst into laughter frantically.

“You said that you are the chairman of Global Bank? I think you are crazy, right?”
