

Chapter: 1857

However, a big man has something to do, something not to do, and something he must do!

I have to do it too!

When they got home, Bai Yi's family was already waiting anxiously. Seeing Lin Fan's return, their family was immediately ecstatic.

"Xiao Fan, are you okay?"

"Is that Lin surname embarrassing you?"

Looking at their concerned expressions, Lin Fan couldn't help but feel warm, and smiled and shook his head:

"Don't worry! I have nothing to do!"

"There's no reason. The man named Lin doesn't seem to be such a talkative person. Just now he was murderous and said he wanted you to die. How could he let you come back so easily?"

Shen Yumei asked with a puzzled face.

"How do you guys talk, do you have to hope that Xiao Fan will not be able to do something?"

Baishan said in a good mood:

"Isn't it okay for people to come back now?"

"I... I didn't mean that, I just thought it was a little weird."

Shen Yumei had a weak way, but she didn't dare to ask any more questions.

Lin Fan smiled and said:

"Parents, there is nothing wrong, the matter has been resolved, and the Lin family will never harass us again!"

Will not harass us anymore?

"Xiao Fan, what did you do?"

Even Baishan is dumbfounded. Lin Fan has solved it?

"This one..."

Lin Fan just smiled, but answered the question:

"Let's talk about this later, I am tired, so I will rest first!"

After speaking, he ignored everyone's reaction and went back to his room.

The Bai Yi family looked at each other, and they obviously noticed the change in Lin Fan's mood.

"I blame you, what are you asking?"

Shen Yumei gave Baishan angrily.

"Didn't you also ask?"

Baishan retorted innocently:

"Xiao Fan must be too tired after experiencing today's things, so I don't want to talk anymore, let's not disturb him."

"I'll talk about something tomorrow!"

Bai Yi thoughtfully, then walked towards the room, and saw Lin Fan lying on the bed, staring straight at the ceiling, not knowing what he was thinking.

"Husband, what's the matter with you?"

Bai Yi walked over slowly, and then sat on Lin Fan's bed.

"What? I'm just thinking, after we are born, what should the child be called?"

Lin Fan answered this question with a smile, only the meaning of the smile, but a strong smile.

Bai Yi didn't even think that Lin Fan was struggling with this, and then said emotionally:

"It's time to think about it. The child will be born in a few months."

"Do you think the girl's name is Lin Chuyan?"

Lin Fan was taken aback for a moment, then tasted the name carefully:

"Chu Chu Yanran, a good name! For girls, Lin Chuyan!"

"The boy's name must be Lin Haotian!"

Haotian?

Bai Yi smiled and said:

"Will it be too arrogant?"

"Of course not, my son, Lin Fan, will not be arrogant in any name!"

As the saying goes, the tiger father has no dogs, he is the king of the blood prison, and his son must be a dragon and a phoenix among the people!

"You are really shameless!"

Bai Yi joked with a smile.

Hahaha!

Lin Fan laughed, and then took Bai Yi's hand:

"Wife, if you have a daughter in the future, it will be nice to her. The girl is not squeamish. Give her flowers if she should be given flowers, so that it will not be easy to be abducted by those bastards in the future."

"If you're a boy, if you're naughty, hit him hard, don't give me face! Boys are really not afraid of hitting, and they will remember more if they are beaten too much."

Bai Yi giggled and slapped Lin Fan angrily:

"What are you doing, how do you feel like you are giving a last word? Besides, don't I still have you?"

"If I can't teach well, you can't help me teach?"
