

Chapter: 1860

Then, Wang Yanli followed in Wang Zhijun's footsteps and left quickly.

This made Xu Yourong so anxious that he hurriedly took a taxi to follow them.

.....

After arriving at the scene, Lin Fan had been waiting for a long time.

Seeing Lin Fan coming so quickly, Wang Zhijun suddenly sneered:

"Come here so fast, don't you have to be scared, right? Hahaha!"

He saw that Lin Fan came so quickly, he thought Lin Fan was scared.

Just don't know why!

Wang Yanli looked at Lin Fan at this time, but felt something was wrong.

Especially the smile on his face is extremely penetrating!

The whole person feels gloomy.

Just a glance, she felt a little uneasy!

At this time, Lin Fan stared at Wang Zhijun straightforwardly:

"It seems that you all take my words as deaf ears. Do I look so easy to bully?"

"Not bad!"

Wang Zhijun snorted coldly, and said extremely arrogantly:

"You are a bully, and you are a waste! If I ask you to give money, you have to give it!"

"Are you satisfied with this answer?"

Lin Fan sighed and shook his head helplessly:

"It's hard to persuade the damn ghost! You forced me to have no choice!"

Ok?

Wang Zhijun's face became more and more ugly, and he said impatiently:

"Have you finished talking nonsense? Give the money quickly, I have an appointment tonight, and I don't have time to take care of your rubbish!"

"Money can't be given to you, but I can treat you to food."

As Lin Fan spoke, his entire face suddenly became dark and distorted.

Can't give money?

Still invite them to eat?

Is this kid's brain sick?

Do you think that if you ask them something to eat, you can settle it?

Wang Zhijun immediately broke into numbness, and roared:

"Dog stuff, do you think I'm joking with you? Do you believe it or not I will go to your house and chat with your wife now?"

Oh shit!

He still doesn't believe it!

Can you make a trip for nothing today?

He will never give up if he can't get money!

And seeing Lin Fan's weird appearance, and listening to Xu Yourong's advice, Wang Yanli's inner words became more anxious.

Lin Fan, shouldn't you really jump over the wall to kill someone?

If you can give out hundreds of millions, it is not impossible to spend some money on murder!

And this time!

Lin Fan also said astonishingly:

"Sorry, I don't intend to let you leave today! To be precise, I don't intend to let you leave alive!"

what!

Wang Zhijun and the others suddenly changed their expressions. Is this guy serious?

then!

Wang Zhijun roared in disbelief:

"You can give it a try, Lin Fan, don't blame me for not reminding you. We have put those photos in a special mailbox a long time ago. If we don't control them, the mailbox will immediately send those photos to your wife!"

Wang Zhijun thought Lin Fan would be afraid!

But he was disappointed!

I saw Lin Fan grinning, saying:

"Your email username is "Wang Zhijun is the most handsome", isn't it? Why are you so narcissistic? Take such a username?"

boom!

Wang Zhijun is about to explode directly!

He looked at Lin Fan with a look of seeing a ghost.

How does this guy know the username of his mailbox?

What exactly is going on?

At this time, Wang Yanli also noticed something was wrong, and grabbed Wang Zhijun's hand:

"Zhijun, shouldn't what he said is true?"

Wang Zhijun was already speechless, and his whole body was trembling.

But Lin Fan stared at him with a playful look like a cat catching a mouse:

"I have hacked your mailbox, and I have deleted those photos!"

"In other words, Wang Zhijun, you are done!"

boom!

Wang Zhijun and the other three suddenly felt weak in their legs!

At this time they all realized that Lin Fan was here for real!
