

# Chapter: 3051

“How? It’s not hurt, right?” Ling Chen stroked her hair gently and asked worriedly.

Li Ling just shook her head and did not speak.

“Ling Chen, do you think I’m bad too?” She slowly raised her head and asked suddenly.

Ling Chen looked at the beloved in front of him and hesitated for a moment. In fact, she was not bad, she just misunderstood Zhao YINUO. If that incident hadn’t happened, perhaps, all of this would naturally not exist.

He believes that the person in front of him is still pure and kind, but sometimes, she will be blinded!

“Okay, don’t think too much. In the future, just think about Zhao YINUO and explain it clearly. Don’t worry, I will definitely be on your side.”

Ling Chen lightly patted her shoulder and said quickly.

If it was really Li Ling’s fault, he would definitely not be partial, but after all, Li Ling did so many unjust things after she had some misunderstandings about Zhao YINUO, so she deserved to be punished. Forgive.

“Li Ling.” Suddenly, not far away, Zhao YINUO’s voice came.

All of a sudden, Li Ling’s body trembled, what was she doing? Did she come to see her jokes? Or to question yourself?

She tightly held Ling Chen’s arm next to her, her expression very nervous.

Ling Chen held her little hand, trying to give her some sense of security.

“Are you alright?” Zhao YINUO walked in while saying hello, with a worried expression on his face.

“Enuo, you’re here, don’t worry, it’s alright.” Ling Chen replied immediately.

Seeing that the person in front of him looked safe, Zhao YINUO finally breathed a sigh of relief.

How much she wanted to ask the sister in front of her why she framed herself in the first place? But after hesitating for a while, Zhao YINUO still didn’t ask such a question.

Forget it, after this period of time, let’s have a good chat with her.

Gradually, Gu Wang and Lynx came, and suddenly, the living room became more and more lively.

Looking at these very familiar faces in front of her, Li Ling was very moved. She thought that after they knew that they had framed Zhao YINUO, they would not interact with her, but now it seems that they are indeed very friendly. Take care of yourself.

Li Ling sniffed, and felt very regretful. If I had known today, why should I have done it in the first place! She sighed softly, and a trace of regret flashed in her eyes. She must have been squeezed by the door at the beginning, otherwise how could she do such a vicious thing?

Shangguan Nana next to her was staring at her, she was very puzzled. She always wanted to ask Li Ling what was the reason for doing such a cruel thing to Zhao YINUO, but she looked at everyone around her. The guys looked very happy, but she was reluctant to destroy the atmosphere.

No, you have to ask clearly, otherwise, let alone Zhao Enuo, even he can’t sleep well at night.

“Li Ling, come here!” She waved at the person not far away.

Seeing this, Li Ling greeted Ling Chen next to her and walked over.

“Li Ling, don’t blame me for being stingy, and don’t blame me for being selfish and leaning toward Zhao YINUO. I’m just speaking from the facts! I ask you, why did you deal with Zhao YINUO so cruelly in the first place?”

Shangguan Nana asked bluntly, she has always been a person who speaks and does things very frankly, and naturally doesn’t like grinding and procrastinating.

All of a sudden, Li Ling was stunned. She didn’t expect that in such a lively atmosphere, Shangguan Nana was still thinking about this matter. It seemed that she really cared about Zhao YINUO!

Li Ling turned her head and looked at Zhao YINUO who was not far away with a little relief on her face.

“Actually, I didn’t frame her for no reason. At the beginning, I was just bewitched by others.” Li Ling replied calmly.

She answered very seriously and seriously, and Shangguan Nana in front of her completely believed it, but the reality was that what she said was indeed the truth.
