

# Chapter: 3053

Gu Wang looked at everything about him, the corner of his mouth evoked a playful arc, presumably, all that just now should disappoint him, right?

He picked up the wine glass and walked towards Tianxiang, a terrifying cold light flashed in his eyes.

“What? Are you here to see my jokes?” Tian Xiang said in a low voice while taking the red wine from Gu Wang’s hand, his tone seemed a little self-deprecating.

He doesn’t know if he is laughing or not, he only knows that now the truth of the matter has been revealed, and no one will feel wronged and hurt for no reason.

Come to think of it, I have to thank this Tianxiang in front of me.

“In the future, don’t approach Zhao YINUO.” Suddenly, Gu Wang said coldly.

What is this nonsense? Could it be that he still wants to hide Zhao YINUO? Tianxiang raised his head and looked at the person in front of him, feeling a little unhappy.

Why not let him approach Zhao YINUO?

“Gu Wang, you should be very clear in your heart that if it wasn’t for me, perhaps her Zhao YINUO would have already died!” Tian Xiang said firmly.

He was right, Tianxiang had indeed rescued Zhao YINUO many times, and for this matter, Gu Wang was also grateful to him. But if he didn’t have any good intentions in his head, he would definitely not give Zhao YINUO to him easily!

Gu Wang clutched the corner of his clothes tightly, his attitude was very gloomy.

“I know, you are still thinking about Zhao YINUO, but Tianxiang, please make it clear that Zhao YINUO is my girlfriend and fiancée now. We are going to have a wedding soon, so why do you keep repeating it? The third is entangled with her?” Gu Wang said deliberately.

Have a wedding? when? Why didn’t he hear about this? Tianxiang looked suspiciously at the person in front of him, his expression a little frightened.

This damn stinky man, he is going to marry Zhao YINUO so soon, now, it seems that he really has no hope.

Tian Xiang lowered his head, a trace of sadness flashed in his eyes, a woman whom he had loved for so many years, a woman whom he had guarded for so long, and now he was going to marry Gu Wang for the second time!

At this time, Tianxiang’s face was very blue.

I don’t know how long it took, all the people dispersed. Along the way, Tianxiang in the car kept reviewing what Gu Wang had said before, and the heartache after a while made him very uncomfortable.

“Hey, eldest brother, what did you say to Tianxiang just now? I think his face is very ugly.” Zhou Yang patted Gu Wang’s shoulder lightly and hurriedly asked.

What else can I say? Naturally, it is about Zhao YINUO. In this world, besides Zhao YINUO, who else can make his mood fluctuate?

Gu Wang raised his head, a trace of unwillingness flashed in his eyes, when he thought about the fact that Zhao YINUO and Tian Xiang had lived for a period of time, he was very angry and very upset.

He was the only one who should take care of Zhao YINUO, but he was the only one who gave birth to Tianxiang because of an accident.

“I told him that Zhao YINUO and I are getting married.” Gu Wang replied lightly.

What? Suddenly, Zhou Yang was confused, when did this happen? She grabbed Gu Wang’s arm with a suspicious expression.

“I’m just planning, I think, maybe, we should get married too.” Gu Wang continued.

Zhou Yang finally breathed a sigh of relief, she thought the big brother in front of her was hiding from her.

“Okay, I see, eldest brother, if you need your sister’s help, just ask, I’ll be there for you!” Zhou Yang patted his chest and vowed.

This silly little sister, he is the most loyal to him, Gu Wang smiled slightly, his expression was very excited, yes, how could he be unhappy when he thought that he could marry Zhao YINUO?

“Then, big brother, when are you going to propose to your sister-in-law? I’ll set the scene for you.”

Well, Gu Wang’s eyes flashed a little playfulness. He knew that Zhao YINUO had always liked the sea, and naturally he had already thought about the venue.

“Zhou Yang, don’t tell Zhao YINUO about this, we will do it privately first, and then give YINUO a surprise.”
