She clenched her fists tightly and looked very unhappy, don't! She don't apologize! Want her to apologize to Zhou Yang? She won't die!

“Hurry up, apologize!” Shangguan Nana next to him shouted loudly.

“No! I didn't do anything wrong! Why should I apologize? Obviously you are trying to harm me, I'm just defending myself! I'm just protecting myself.” The young girl at this time looked a little insane.

Zhao YINUO stared at her and was very curious. She had seen this girl many times before, but the girl at that time was completely different from the current one. Could it be that she has some disease?

Gradually, her eyes dimmed, and Zhao YINUO suddenly asked, “Do you have something to hide?”

All of a sudden, the surroundings were quiet, and the atmosphere was a little awkward.

Zhao YINUO, what happened? How could she suddenly speak for this girl? Shangguan Nana looked at her curiously, her eyes full of doubts.

Gu Wang and Ling Chen on the side looked at her and frowned tightly. You must know that at this juncture, no one would intercede for the girl on the ground!

The person on the hospital bed, although surprised by Zhao YINUO's words, was not angry. Zhou Yang understood Zhao YINUO's temperament. She must have thought twice about what she said and did.

“Sister-in-law, did you see something?” Zhou Yang took Zhao YINUO's little hand and asked in a low voice.

“Take your time, I'll ask first.” Zhao YINUO patted her shoulder lightly and replied softly immediately.

The girl on the ground kept her head down, sobbing, her expression very painful.

“Lynx, I'm sick, I'm really sick, I want to give birth to a child, after all, this is my first child, I have no ability to raise this child, I just want to find him a father, find a Someone who can raise him to adulthood.” The girl whispered.

For a moment, everyone was stunned, she was really sick, but what was she sick with?

Zhao YINUO immediately helped her up and walked to the sofa, “Tell me slowly, what's wrong with you?”

“The doctor said that I have a mental illness, and the treatment is a long-term process. More importantly, my disease is likely to worsen. So I am anxious, what should I do with my child.” The girl tightly Grabbing Zhao YINUO's small hand, he answered movingly.

“But then you can't hurt Zhou Yang! Have you ever thought that when you hurt Zhou Yang, you're hurting yourself. Fortunately, Zhou Yang has nothing to do with her. If she has any problems, you can really If he becomes a criminal, what will he do with the child? Have you ever thought about it? Do you want to tell him that he had a mother who attempted murder before?” Zhao YINUO said immediately.

In fact, the young girl has already thought of this.

She thought very clearly that after she handed the child to the lynx, she disappeared, never appeared in front of the child, and would not let the child know that he had a mentally ill mother.

Zhou Yang watched this scene, and his expression gradually became very sad.

She hates, hates this girl for killing her own child, she hates, blames this girl for taking away the man she loves.

But she pity the girl, pity her desperate for the child, after all, this is the nature of a mother, for her child, she can do anything.

The truth is finally revealed, and the girl has been sent to a mental hospital.

It must be the child's business, Zhao YINUO raised his head and looked at him seriously.

“After that child is born, I want to take him over.” Lynx continued.
