

Chapter: 3078

After all, it was also a fate. Although the young girl was too much, the child was innocent. She was right, if he wanted to abandon this child, then no one in this world would love that child again.

In fact, in essence, Bobcat's heart is still very soft. On the surface, he is indeed a bit cruel, but in fact, he is an extremely gentle man in his bones.

Just like when he fell in love with Zhou Yang, he was reluctant to let that woman suffer a trace of grievance and hurt.

"Have you thought about it?" Gu Wang raised his head and watched the brother in front of the play, sipping a sip of tea.

"What about Zhou Yang?" Zhao YINUO, who was next to him, hurriedly asked.

In fact, the Bobcats have already seen this point. If Zhou Yang can give him a chance, he will cherish it and never abandon her, but if she does not want to be with him, then he will be with the child. Depend on each other, don't blame anyone.

"Let's go." Lynx replied lightly.

Hehe, how could he even say such literary and artistic words, Zhao YINUO's mouth curled with satisfaction.

In fact, Zhao YINUO knew that Zhou Yang was just angry at this time, so he never wanted to see the lynx. When she was well and her anger disappeared, there would not be so many things.

How can you say no to a relationship for such a long time? Zhao YINUO got up, walked towards him, patted his arm, smiled playfully, and left.

What's happening here? What did the sister-in-law mean when she smiled just now? Looking at the departing back, Lynx was very puzzled.

This rude man, he must have not guessed Zhou Yang's mind until now, right? Gu Wang walked to the desk and started to get busy.

What's going on here? How come these two have no advice at all? Lynx looked suspiciously at the person in front of him with a worried expression.

"If there is nothing else, then you can go down first." Gu Wang said directly without even raising his head.

It's over, this time I was really abandoned by my big brother.

Yes, Zhou Yang is his good sister. Now, his sister was hurt by him, how could he easily forgive himself? Gu Wangding didn't want to take care of himself anymore.

Lynx sighed and turned to leave.

"I think, you should decorate your house again, otherwise, when Zhou Yang is discharged from the hospital, you won't feel the importance you attach to her."

Suddenly, deliberately said.

All of a sudden, the lynx immediately became excited, what does he mean, Zhou Yang has forgiven himself? He immediately ran over, grabbed Gu Wang's arm tightly, and asked blindly.

"Brother, what did you just say? Zhou Yang doesn't blame me? What did she say? When will she be discharged from the hospital? I'll pick her up."

How could this stinky guy be so excited that he even forgot where he was?

"This is in the company, pay attention to your image." Gu Wang reminded him immediately.

The Bobcat immediately put down his hand and looked extremely expectant. When he was sure that Zhou Yang had forgiven him, the Bobcat was happy and ran out.

Looking at the figure, Gu Wang shook his head and smiled contentedly. He hoped that this time, they would cherish each other well. He continued to pick up the documents on the table and read them.

And that young girl was still receiving treatment in the mental hospital. When she knew that Bobcat and Zhou Yang were willing to raise the child for her, her heart was full of emotion.

In fact, she is also a poor person. If it weren't for this, Zhou Yang would never forgive her in this life.

Yes, when the young girl was very young, she was sold into the compound, and then she was used by the mother again and again, and she was not raised as a person at all.

It wasn't until she grew up and her facial features were fully developed that the mother regarded her as a person and dressed her up to accompany those guests.
