

# Chapter: 3079

Come to think of it, he is also a miserable person.

“Are you sure you want to do this?” Bobcat grabbed Zhou Yang’s little hand tightly and asked immediately. He never imagined that the person in front of him would be kind enough to raise other people’s children.

What else? To make that child an orphan? Zhou Yang sighed softly, she understood the orphan’s mood and situation, and she couldn’t bear to see any child become an orphan.

Both her parents died, and she was already an orphan, but luckily, she had grown up, and it was even more fortunate that she met Gu Wang.

“Well, I have already thought about it. We will raise this child, and the two of us will raise the child well.” Zhou Yang replied firmly.

At this time, the lynx was only grateful.

Looking at the two people in front of him, Zhao Enuo was also very moved.

“How is it? Are you feeling better?” Zhao YINUO walked into another ward and asked softly.

“Well, it’s better, the child has been very good these days and didn’t kick me in the stomach.” The young girl gently stroked her abdomen and said contentedly.

The hospital where Zhou Yang is located also has a special area for the treatment of mental illness, so now she and the young girl live in the same hospital, but they don’t see each other often.

“Sister Enuo, that, did Zhou Yang really forgive me? Child, is she really willing to raise her?” The young girl raised her head and asked cautiously.

This silly girl, how can such a thing lie? Besides, Zhou Yang is not a rude woman, and her mind is still very kind.

“Don’t worry, you don’t have to worry about other things. Take good care of yourself and receive treatment. Both Lynx and Zhou Yang have said that you are still the child’s biological mother, and they are just the child’s godparents.” Zhao YINUO said softly. answer.

All of a sudden, the girl in front of her couldn’t hold back and started crying. Yes, in this world, who else cares more about themselves and takes care of themselves than them?

“It’s me who’s sorry for you, it’s me who hurt you.”

Seeing the person in front of her crying so sadly, Zhao YINUO suddenly felt a little distressed. This is the sadness of being a woman. Even if she doesn’t know who the child in her belly is, she still wants to give birth and let him live, just because She is a mother.

She understands the girl’s suffering and understands her state of mind at this time.

“Thank you, without you, I really can’t support it now.”

A few months later, the child was born, and Lynx and Zhou Yang also took the child back to their home.

“Oh, look at this child, how good and cute.” Zhao YINUO said softly while teasing the child.

Gu Wang saw her appearance, a playful smile appeared on his face.

“Otherwise, let’s have one too?” He pulled her into his arms with all his strength, lay beside her ear, and breathed warmly.

Suddenly, Zhao YINUO blushed.

“Get up, what are you talking about.” She immediately pushed the person in front of her away, a little embarrassed.

Yo, she’s still shy? isn’t it? He hadn’t seen this blushing expression for a long time, Gu Wang kissed her cheek with lightning speed, and then turned to leave.

When the Bobcats and Zhou Yang on the side saw it, they smiled unconsciously. In this way, the days returned to calm and life continued, but there were no more accidents.

Although Zhao YINUO’s memory has not fully recovered, her relationship with Liangliang and Mrs. Lin has become much closer.

“Enoch, please rest for a while, don’t be tired.”

In the garden, Mrs. Lin looked at her with a worried expression.

“It’s okay, ma’am, don’t worry, I can definitely do it.” Zhao YINUO repaired the flower branches seriously.

And the previous flower shop, which was opened with Mrs. Lin before Zhao YINUO lost her memory, has long been closed by Mrs. Lin.
