

Chapter: 3086

What should I do? There are a lot of people and they are all present at the scene. They are good at perjuring and lying, but Zhao YINUO can't produce any evidence of his innocence.

Li Ling clenched her fingers tightly, feeling very anxious. Those damn women were so cruel and ruthless. However, the bell has to be tied to the bell. Maybe, the problem lies with them, so the "answer" will also appear on them. .

"Ling Chen." Li Ling waved her hand, motioned for the person next to her to go over, and said in a low voice, "I think we should talk to those women."

talk? How to talk? talk about what? What else is there to talk about? They made Zhao YINUO look like this, so they can't wait to hide from themselves!

"You think, since they framed Zhao YINUO for money, maybe they can let Zhao YINUO go for money." Li Ling reminded deliberately.

In an instant, Ling Chen's eyes lit up, what he said was really good!

"Hey, come here quickly! Li Ling came up with a trick!" Ling Chen said quickly.

All of a sudden, several people ran over immediately.

Seeing such a nervous appearance in front of her, Mrs. Lin had some expectations in her heart. She knew in her heart that, after all, it was a matter of human life, and she and Zhao YINUO would not be able to go out in a short time.

"What do you want to do?" Several people looked at Ling Chen and Li Ling in front of them, and they were very scared.

Are you afraid now? late!

Ling Chen's eyes flashed a bit of coldness, and his expression was very dissatisfied.

"I heard that you were all at the scene when Zhao YINUO killed people." Li Ling stared at them and whispered.

All of a sudden, the people in front of them panicked, and it was over. Did the two of them already know the truth of the matter?

The expressions of the few people in front of them were very panicked, which made Li Ling more sure of her thoughts, and continued: "I also heard that you want to go back to the supermarket to work, and you want to borrow money from Zhao YINUO?"

It seems that Zhao YINUO has already told them all.

A slightly older lady looked at them coldly, gnashing her teeth, Zhao YINUO, that damn bitch, even thought of asking others to help! But so what? This time, she definitely won't be able to run!

"Yes, Zhao YINUO refused, and she also killed one of us!" The lady hurriedly covered up.

Pull it down! What kind of person Zhao YINUO is, no one knows better than the two of them. Even if the woman was very angry at the time, it wasn't to the extent of killing people. It's just a pity that the surveillance in the restaurant has been destroyed. Can't find out the truth of the matter.

Ling Chen clenched the fist in his hand tightly, and there was a hint of coldness in his eyes, these damn stinky women actually hit Zhao YINUO with their ideas, why didn't they find a solution for themselves? Not because she is kind!

"You are the parties involved, you need to explain everything to the police, let's go." After speaking, Ling Chen was about to push them forward.

"No! I'm not going! We just came out of the police station, why are we going there again? I'm not going! I'm going home!" a young woman shouted.

"Yeah, didn't we just come out of the police station!"

In an instant, Zhou Yang fell into chaos for a while, and finally, in order to convince them, Ling Chen called the police in front of them.

The few people in front of you, look at me, and I look at you. Although they were very uneasy, they still held each other's arms and walked to the police station together.

"Police, haven't we explained everything? Why do you want us to come here again? We are very tired, okay?" A woman complained in a low voice in front of the police, with a very bad attitude.

"Are you tired? We are not tired!" The policeman got angry and shouted directly.

Suddenly, the surroundings were quiet, and the atmosphere was a little awkward. That's right, they put all the responsibilities on Zhao YINUO, leaving no room for her at all.
