

# Chapter: 3098

“Ding Ding Ding!”

“Ding Ding Ding!”

In the entire box, several women’s phones rang at the same time.

“Zhou Yang, what did you do last night, and you didn’t come back all night!”

“Li Ling, where are you now? Are you drunk?”

“Oh my eldest lady, come back quickly.”

“You guys are too unreasonable, you didn’t tell us such a good thing.” Bobcat complained in a low voice, and then, several men next to him began to mutter.

“Okay, I’ll invite everyone to dinner tonight.” Suddenly, Gu Wang shouted loudly.

All of a sudden, the scene was boiling.

In this way, Sophie broke into their lives, and everyone began to make suggestions for her love life.

Shangguan Nana didn’t quite understand what this Sophie did in that Tianxiang, and she had some doubts about her aesthetics.

“Hey, Sophie, how can you like someone like Tianxiang?” she asked immediately.

Someone like Tianxiang? What does it mean? Sophie immediately turned her face away and stared at Shangguan Nana in front of her, waiting for her explanation.

For a moment, Shangguan Nana immediately closed her mouth and planned to turn around and leave.

“Hey, don’t go! What do you mean by that? What kind of person is Tianxiang?” Shangguan Nana grabbed her arm tightly and asked quickly.

Oops! It turns out that this girl doesn’t know what Tianxiang has done before. Shangguan Nana covered her eyes, but shook her head vigorously, her face very embarrassed.

“Oh no, that’s it, I’m just wondering why you like Tianxiang.” She replied immediately.

What’s so strange about this? There is no certainty in such things as feelings. Some people may never find the person they love in their entire life, and some people may have found the right person with just one look.

And she seems to belong to the latter.

At first, Sophie was really attracted by Tianxiang’s face, but slowly, she realized that the man not only looked handsome, but was actually still very handsome.

He became the president of the company at a young age, and he was able to navigate the shopping mall with ease. There was no negative news at all. Where can such a perfect man be found?

In the past, she thought Gu Wang was the most perfect man in the world, but later, when she met Tian Xiang, she realized that in this world, there are many, many people as good as Gu Wang.

Sophie held her chin, and a hint of admiration flashed in her eyes.

What happened to this girl? Shangguan Nana carefully looked at the person in front of her, with some doubts in her eyes, didn’t she? Is she insane?

“Hey, Sophie, are you okay? Wake up!”

“It’s alright, what’s the matter? Let me tell you, you are not allowed to speak ill of our Tianxiang behind your back.” Sophie patted her on the shoulder, said loudly, and left.

What are you doing? Isn’t it just a mouthful of words, as for the thing.

Looking at the disappearing back, Shangguan Nana pouted and turned to leave.

On the sofa in the living room, Zhao Enuo snuggled into Gu Wang’s arms and gently stroked his hair, looking very romantic.

“What on earth do you think?” Gu Wang suddenly asked.

What was he talking about? Zhao YINUO immediately raised his head and blinked his big eyes with a puzzled expression.

“The matter between Sophie and Tianxiang, Tianxiang still has your shadow in his heart, and Sophie likes him again. I guess if she knew about it, she would definitely not let you go easily.”

“I know her too well. Don’t look at her smiling face now. She has a very good relationship with you, but once I hear about the affair between you and Tianxiang, I will definitely turn my face away.”

Gu Wang said softly.

What he said was actually recognized by Zhao YINUO in his heart, but she had been avoiding this problem. With Sophie’s personality, as long as it is something she wants to do, she will not give up easily. This principle also applies to people.
