

# Chapter: 3099

Perhaps, she should confess all of this to her, and the final choice is still in Sophie's hands.

The next day, the gourmet restaurant was not open, which made Sophie feel a little strange.

Zhao YINUO sorted out his clothes and sat next to the window, waiting for Sophie to come out of the bathroom. Since Gu Wang has said this to himself in such a serious manner, then he should also have a snack.

"What's the matter with you? Why is it closed today?" Sophie hurriedly asked, her expression full of curiosity.

"Feifei, I think there are some things that I should clarify with you." Zhao YINUO replied very seriously.

What's the matter? Sophie raised her head and stared at the person in front of her. She was very puzzled. In order to tell her something, she closed the door of the gourmet restaurant directly? It shouldn't be a trivial matter!

"Before, I met Tianxiang, and he..."

Zhao YINUO said it very seriously and seriously, but Sophie was extremely painful to hear it.

Why? Why do the people you like like Zhao YINUO! She rubbed her hands tightly, feeling very unbalanced.

"But don't worry, I'm going to marry Gu Wang soon." Zhao YINUO hurriedly added.

and then? Could it be that if she and Gu Wang got married, that Tianxiang could give up?

No, it's not! Although she has not had much contact with Tianxiang, Sophie is very clear in her heart that Tianxiang will not be a person who gives up easily, whether it is to people or things.

"Sister YINUO, I think even if you and Gu Wang get married, that Tianxiang shouldn't let go easily." Sophie said lightly while stirring the coffee in the cup.

Yes, Tianxiang's temperament is well understood by the public, that is not a good stubble, let alone a good talker.

"The purpose of telling you this is to let you know about Tianxiang's past. I just see him as a savior."

This point, Zhao YINUO has never forgotten.

Although Sophie understood everything Zhao YINUO had just said, in fact, she still had some grudges in her heart.

The two chatted for a while and then left.

It doesn't matter, the past has become history, and the next days will be spent with Tianxiang by yourself! Sophie raised her head, took a deep breath, and adjusted her emotions.

I hope Sophie can truly understand her mood at this time, and I hope Tianxiang can feel Sophie's true affection. With the moonlight, Zhao YINUO continues to move forward.

"How is it? Are you alright?" As soon as Gu Wang saw Zhao YINUO, he immediately greeted him and asked anxiously.

"It's okay, she will definitely understand." Zhao YINUO smiled and replied softly.

Yes, she understands, but it doesn't mean that it can be done. If Tianxiang does anything in the future, I'm afraid she will target Zhao YINUO.

Since Zhao YINUO confessed everything to Sophie, Sophie has become reticent, which makes Zhao YINUO feel very lost.

Sometimes, Zhao YINUO also began to be confused. After all, is her confession correct or wrong?

Zhao YINUO sighed softly and continued the work at hand.

"Enoch!" Suddenly, Tianxiang came in directly.

"Tianxiang!" Sophie shouted excitedly, with a very excited expression, but Zhao YINUO, who was in the back kitchen, was uneasy, what did he do again?

Zhao YINUO continued to work as if he didn't hear anything.

In the front hall, seeing Sophie's pleasing appearance, Tian Xiang was very puzzled and asked breathlessly, "Where's Zhao YINUO?"

Suddenly, Sophie's eyes dimmed, she pouted her lips, and looked very displeased. From the moment he opened the door, Zhao YINUO's name had been shouted in his mouth.

"She's busy in the kitchen," Sophie replied in a low voice.

Why are you still busy? What time is it? She was not too tired, Tian Xiang rubbed his hands together, looking a little anxious.
