

Chapter: 3104

Well, she understood, Shangguan Nana sighed softly, turned her face away, and forced a smile. She was not angry because Lynx and Zhou Yang were hiding it from them, but because she wanted to set up a romantic proposal scene for Zhou Yang and Lynx.

“I don’t ask for anything else, I just want to be safe, smooth and healthy.” Zhou Yang continued.

Why does it sound more like what an old man in his seventies and eighties said? Shangguan Nana raised her head and carefully looked at the woman in front of her with curiosity.

Yes, since the affair between the young girl and the lynx ended, Zhou Yang has become more calm than before, she has looked down on everything in this world.

“You don’t regret it?” Li Ling came over and asked in a low voice.

“She won’t regret it. What’s there to regret? As long as she is happy, she is better than anything else.” Zhao Yinuo smiled and replied immediately.

Perhaps, in this world, only Zhao Yinuo should understand Zhou Yang’s mind best.

She is not short of money, she just wants a man who loves her and loves her, and then the two of them live a happy life together, that’s enough.

Yeah, what could be more important than that?

“Then when are you going to get married?” Zhao Yinuo patted Zhou Yang on the shoulder and asked softly.

Now, the business of the bookstore has been very good, and I am pregnant again, so the marriage should also be well prepared.

Zhou Yang lowered her head, and the corner of her mouth raised a satisfied arc. In the past, she always resisted getting married, but now, she is no longer afraid.

Having children, a husband, and a happy family is what she wants most at this time.

“Okay, you got Zhou Yang! She never wanted to get married before.” In the office, Gu Wang raised his head and looked at the lynx in front of him with a gossip expression.

Lynx just smiled, a little embarrassed on his face.

“No, I also respect her very much, okay? Big brother, don’t get me wrong, this was voluntary by Zhou Yang, and I didn’t force her.”

This stinky boy, who said he forced Zhou Yang? Zhou Yang’s temperament, can he still not understand it? Gu Wang shook his head, but his expression was very happy.

Now, the three happy events can be regarded as a real fate.

“What did you say? Get married together?” In the living room, Li Ling opened her eyes wide, looked at Ling Chen in front of her, and asked loudly in confusion.

For such a fierce reaction from the person in front of him, Ling Chen already knew it in his heart.

“Yeah, look, Zhao Yinuo is going to marry Gu Wang, Zhou Yang is going to marry Bobcat Fengzi, and Tianxiang is also going to marry Sophie. We’re not married either, I just thought, we can Let’s hold a grand wedding together.” Ling Chen replied immediately.

It’s just a pity, Shangguan Nana has already held a wedding with that Shen Jue, otherwise, the two of them can also participate.

This sounds like a good idea, but... but he hasn’t proposed to him yet! How can I get married directly? Li Ling pouted, a trace of displeasure flashed in her eyes.

Ling Chen naturally knew what she was thinking, so he covered her eyes with his hands and pushed her into the living room.

When he put his hand down, Li Ling was stunned when he saw the scene in front of him.

“Li Ling, I love you, marry me!” Suddenly, Ling Chen knelt down on one knee and said loudly.

At that moment, Li Ling couldn’t control it any longer, and a group of tears flowed down instantly.

Soon, the day of the wedding came. Perhaps because she was too envious, Shangguan Nana insisted on holding another wedding with them.

a week later.

“Let’s go! Otherwise, it’s too late!” After saying that, Shen Jue took Shangguan Nana’s little hand and left quickly, looking a little anxious, but she didn’t expect this woman to be so dawdling.
