

Chapter: 3202

Fortunately, now, these two Yang Yue goals are in her hands. She doesn't ask them to help her, she just asks them not to help Yang Yue.

"Yang Yue, come with me!" Zheng Tao shouted in a low voice, the coldness in his tone was clearly audible to everyone.

After all, she is Sister Luo's most powerful agent, and her words and deeds have a taste that cannot be rejected.

"I..." Yang Yue was obviously hesitant, and Yang Ning could see her fear even from a distance.

"Come here, don't you think your appearance today is not embarrassing Shengtian?" Zheng Tao sullen, not giving Yang Yue a good look, Yang Yue knew that it was doomed, clenched her fingers, and walked over slowly.

However, just when everyone was thinking about how Zheng Tao would save the field, a loud slap sounded suddenly.

"Snapped!"

Everyone looked at Zheng Tao's slap in disbelief, and took a breath. He actually slapped Yang Yue in front of so many people.

"You..." Yang Yue was obviously stunned, she opened her mouth and couldn't say a word.

"This is your unreasonable punishment. I won't say anything more. If you don't take good pictures and renew Yang Ning, I won't praise you."

Zheng Tao obviously knew what Yang Yue cared about most in her heart, and she would never tolerate Yang Ning being higher than herself, so even if it was a slap, she could endure it.

Yang Ning, who was standing in the distance, raised his eyebrows when he heard this sentence, and was once again convinced by Zheng Tao's superb skills. He did this to save the director's face and not embarrass him, while his own agent disciplined him. Artists, no matter how hard they fight, they won't hit hard.

In the eyes of others, this maintains Shengtian's brand name and dignity. Otherwise, as the director said, if Yang Yue was banned, wouldn't she stink the whole Shengtian by herself?

And the last sentence Zheng Tao said was to warn Yang Yue that there was simply no better choice to use her to suppress Yang Yue's anger.

"Director, I think Yang Yue has calmed down. After that, I hope to ask you to discuss letting Sheng Tian do the job, and then formally apologize after dinner."

Zheng Tao's gentle appearance and conversation are easy to give people a good impression. He speaks and does things well, and others will not despise him. The director also knows how embarrassing an actress is to be slapped in the face in public, and most of the anger in his heart has dissipated.

So he asked someone to hold up the video recorder and waved his hand, a little helpless: "Let's talk about it later, take a picture first."

Everyone looked at each other in dismay, and glanced at Yang Yue with some sympathy, but they were a little happy.

The employees present did not forget their work because of the storm. They quickly repositioned the camera under the direction of the director. Just as everyone was about to restart filming, a deep voice suddenly came.

"and many more."

Yang Ning, who had been standing behind the remote flower bed, felt that the voice was a little familiar. She looked up and took a step back in surprise.

An Tianxiang, when did you come here!

Maybe it was because his aura was too aggressive, and it was obviously not a loud voice. Everyone present turned to look at him. Even Yang Yue, who was immersed in her own grievances, noticed him and sorted it out in a panic. His emotions raised a smile.

"Director Xu, do you want to leave it like this?" An Tianxiang's eyes didn't fall on anyone, he walked straight to the director.

His tall figure shrouded the director, making the sturdy director look "petite".

"Mr. An..." Director Xu was quite nervous, looked up at An Tianxiang's calm face, couldn't guess what he was thinking, and said with some embarrassment: "You should have seen it just now, this is not a big deal after all..."

"It's really not a big deal, but Shengtian's Zheng Tao punished Yang Yue, but our advertiser hasn't punished Yang Yue, has it?"

An Tianxiang's tone was very light, as if he was talking about the weather. Yang Ning listened to it, but he was stunned for a moment, what exactly did this man want to do.
