

Chapter: 3222

The burning sensation on Yang Ning's body had almost melted her away, but she didn't dare to show a little coquettishness in front of President Wang, or unbutton a button.

She forbears to keep calm, even if her eyes are too stray to focus.

Hearing this, President Jin snorted lightly and said with a sneer, "It's not up to you."

When the words fell, he tugged the dizzy Yang Ning hard, and in the next second, she fell on his fat body.

"you....."

Yang Ning couldn't stand this disgusting feeling, and what was even more terrifying was that her heart was longing for a cold body.

No matter what, we must not compromise with President Jin.

"What are you doing?"

Just when Yang Ning was about to repeat his old tricks, a deep male voice suddenly came from the empty corridor. Both of them were stunned for a while.

"Help! He's holding me hostage!" Turning his body with all his might, Yang Ning struggled to block Mr. Wang's attempt to drag her into the elevator, screaming in shock.

This is Yang Ning's last life-saving straw, and she must not miss it.

The man at the other end of the corridor frowned when he saw the two of them pulling together. He lowered his eyes, not wanting to meddle in his own business.

Just as he was about to close the door, at this moment, the woman who had been blocked by the fat man suddenly showed a side face. He was startled and hurriedly walked over.

"Yang Ning?"

Hearing the person calling her name, Yang Ning's restless heart suddenly let go. If the other party knew her, then she would be saved.

So, she hurriedly nodded and admitted, before she even had time to see the other's face: "Yes, I'm Yang Ning."

Mr. Wang, who had his back to the man, heard that someone wanted to meddle in his own business, and his expression immediately became impatient. Why did someone intervene in anything related to Yang Ning today.

President Wang looked unhappy and pushed Yang Ning away like throwing garbage.

The footsteps were slack, but being pushed so hard, Yang Ning suddenly lost his fulcrum and almost fell to the ground with an unstable center of gravity.

Seeing that she was about to fall, the man quickly stretched out his hand to help him, he frowned without a trace, and his cold eyes collided with President Wang.

"You... An... Boss An..."

President Wang obviously did not expect that he would meet An Tianxiang so coincidentally here, his complexion turned pale, and the panic in his eyes could not be hidden.

Why is he so unlucky today!

"It seems that you molested my woman very happily."

An Tianxiang's expression was unpredictable. He looked at Mr. Wang indifferently, his eyes were already a butterfly flapping its wings, about to brew a storm.

"You...you misunderstood!"

President Wang glanced at Yang Ning who was leaning on An Tianxiang's shoulder in silence, and his face became darker.

Why did he never know that Yang Ning and An Tianxiang had an affair!

"Misunderstanding? What I saw with my own eyes is a misunderstanding?" An Tianxiang held Yang Ning's waist tightly, his tone was cold, when he thought that the man's fat hand touched Yang Ning just now, he wanted to kill him more and more. .

"No...this, I..." President Wang rubbed his hands together, his expression puzzled, his face full of embarrassment and confusion, and the stern face on his face trembled involuntarily.

An Tianxiang didn't want to listen to his nonsense, his slender eyes narrowed slightly, his eyes were like blades, and his cold eyes reached the top of President Wang's skull.

"Tomorrow, put out your share transfer letter, otherwise you will not be able to save your life not only as a shareholder of Tianhua."

When the words were over, An Tianxiang didn't even look back at Mr. Wang, whose face was ashes. He naturally hugged Yang Ning, who was already hooked on his neck, and walked straight into the room.

"no, do not want....."

Entering the room, An Tianxiang closed the door and put Yang Ning on the bed. She looked like she was being drugged.

That damn man, not only coerced Yang Ning, but even drugged her. He really lived too long, looking for death.
