

Chapter: 3234

“It seems that Mr. Qi is in a good mood now.”

Yang Ning raised his eyes, his plain and clear eyes could see the arrogance in Qiwei’s eyes at a glance.

I haven’t seen him for a long time, and the man in front of him is indeed completely unable to tell that he is the down-and-out young man from before, but the sense of arrogance in his bones cannot be eliminated.

“Where can I compare to Miss Shang’an, who is now pressing Yang Yue to become a popular newcomer. This means and courage are not something ordinary people can do.”

Qiwei’s eyes were downcast, and he hadn’t even looked at Yang Ning since he entered the door. He was playing with his mobile phone and talking lukewarm.

Seeing this, Yang Ning chuckled lightly, but he didn’t mean to blame him. Flying from the pit to the sky would be a little bit fluttering, as long as it wasn’t too much, she could accept it.

However, her patience has dropped significantly.

Pushing away the things on the coffee table, Yang Ning’s eyes turned cold, and the light in the living room glared at her face, making her look particularly awe-inspiring.

She said straight to the point: “I don’t want to flatter each other with you, let’s be honest, I want you to help me follow Chen Meimei’s scandal.”

“Chen Meimei?”

Hearing this, Qiwei paused while playing with his mobile phone. He looked up at Yang Ning, frowned, and was very dissatisfied.

“Even if you really want to ask me to follow some scandals, you don’t have to name me a third-rate little star, it’s not smashing your own brand.”

After the words fell, Yang Ning’s expression completely stiffened. She swept Qiwei’s eyes coldly, her eyes filled with the cold light in the living room.

It seems that Qiwei is now not only arrogant, but defiant.

please?

He is praised by the stars who are afraid of accidents!

Anyone could invite him, but she, Yang Ning, wouldn’t.

In an instant, the atmosphere in the room was approaching freezing point, and Qi Wei suddenly felt that the atmosphere was not right. He finally raised his eyes and glanced at Yang Ning, but was startled by her threatening eyes.

How can a woman have such cruel eyes...

Yang Ning saw his surprise in her eyes, she twisted her face, her lips were thin and straight, like a sharp blade.

“Have you forgotten the document you once gave me?”

On the coffee table, Yang Ning expressionlessly pushed the contract signed by both parties to Qiwei.

Fortunately, she kept an eye out for Qiwei before, otherwise he would have to distance himself from him now.

“It’s written above, you and I have a two-year partnership, and I will intermittently provide you with some big information, but you have an obligation to help me, the last thing I made you so hot, as long as this is a favor If you are willing to help me, I can give you another big tip.”

In fact, this is a fair deal, and Yang Ning doesn’t have to come up with this contract.

But she couldn’t get used to Qiwei’s aloof appearance. She wanted to slap this contract in front of him and tell him who made you.

Moreover, the relationship between the two is an equal cooperative relationship, and there is no need to assume such a superior attitude.

“You...” Qiwei was obviously too complacent recently, and he had forgotten about the contract. He opened his eyes in surprise and was speechless for a while.

Seeing his hesitant appearance, Yang Ning sneered sarcastically: “Why, do you want to go to court? I don’t mind letting you go back to before liberation, as long as the stars who have been defrauded by you will unite to boycott you. It will be a matter of time before you are blocked, and with the money you have worked so hard to earn, come and fight with me, I think you will starve to death first, or I will starve to death first.”

Her contemptuous attitude was tantamount to stabbed a knife in Qiwei’s heart. Those first-line stars spoke to him with respect, and a newcomer who had just debuted dared to provoke him!

The more Qi Wei thought about it, the more angry his expression became. He clenched his fists, gritted his teeth and hated Yang Ning.

“I don’t want to have a lawsuit with you, but I can’t accept your attitude. If I really have a lawsuit, I don’t think I will lose to you! What’s more, as long as I shake out the things you instructed me, you There’s no way to stay in the entertainment industry at all!”
