After she finished speaking, Yang Ning's calm expression became more and more silent. She raised her eyes and waited absently for Yang Qingfeng's answer.

The atmosphere between the two was like extremely cold cold water for a while, and it was cold to the bone when you took a breath.

Yang Qingfeng reluctantly hooked his lips and said disdainfully, "Why do you say so much, go and explain your own behavior?"

The anger in his heart and the indistinguishable feeling had completely destroyed his trust in Yang Ning. Yang Qingfeng didn't want to look at the woman who was lying in front of him. He stood up with a cold expression on his face. question.

Seeing that Yang Qingfeng was unwilling to believe him, Yang Ning didn't mean to force it.

This is the best, she doesn't want Yang Qingfeng to drag and tug, and continue to bear the feeling of being indebted.

"If you think so, I think it's not bad. Now that you have finished asking the questions that you should ask, you should leave quickly."

Yang Ning continued to play with the new phone without raising his head, as if he didn't care about Yang Qingfeng's thoughts at all.

In any case, everything has been settled in his mind.

But Yang Ning's attitude of not caring about his thoughts at all undoubtedly gave Yang Qingfeng a blow.

It turned out that in her heart, she was a strange man who didn't even need to coax.

"Okay, I'll go, I hope we'll never see each other again."

Yang Qingfeng didn't want to lose to Yang Ning, so his expression was more determined and indifferent. Yang Ning looked up at his tall and straight posture, and his heart was mixed for a while.

After leaving, the two may no longer have contact. Yang Ning lowered his eyes and listened to the loud door closing sound in the room. The feeling in his heart was indescribable for a while.

In order to divert his thoughts, Yang Ning ignored the anxiety in his heart, subconsciously turned on his new phone, and browsed the web.

While thinking about Yang Qingfeng's affairs, Yang Ning habitually opened the hot search list on Weibo. He had been in a low mood, but suddenly became interested in a gossip——

She clicked into the web page, quickly browsed the news and pictures inside, and suddenly saw Zeng Yuan's name and picture on it, and she was suddenly surprised.

Seeing that Chen Meimei, who was dissatisfied, was banging on the door of President Wang frantically, he planned to step forward to molest him. some time.

For a while, the two were engulfed in flames, but they couldn't afford to open the expensive room in the Crown Hotel, so Zeng Yuan went to work directly in the corridor.

Yang Ning didn't expect the plot to be even more exciting than she imagined. She sneered and looked at the large mosaic in the picture, and started to post with a small number in the hot comments of netizens.

[Chen Meimei is really fierce.]

She turned her eyes to the bottom of the screen, and saw the cynicism of the crowd, occupying the majority.

[Thanks to her playing a pure role in "Peerless Beauty", I think she is more suitable for that kind of super revealing film!]

[The status quo of the entertainment industry is like this, this woman is not worth belittling, let alone sympathy, and there will be another one if she is scolded to death.]

...

The comments of many netizens are not only sharp, but also understand the problem from various angles. It can be seen that Yang Ning is speechless, they are really idle.

Just as Yang Ning was watching happily, the phone in his hand suddenly rang.

Yang Ning was startled. Looking at the strange display above, she didn't want to pick it up at all, but she was afraid of missing an important call, so she picked it up.
