

Chapter: 3240

“Hello, hello.”

“Ok.”

Ok? What is this answer?

Yang Ning took a strange look at the number on her phone, and felt that the voice sounded familiar, so she continued to ask, “Who are you?”

“Who do you think I am?” The male voice on the other end of the phone had a hint of unpleasant indifference. Yang Ning was startled, isn’t this An Tianxiang.

She asked tentatively, “Mr. An?”

Hearing her calling his title, An Tianxiang was quite unhappy. He sat at the desk, turned the chair, and looked at the paintings in the office coldly.

“Did I allow you to call me that, that’s not what you called me in bed that day.”

Hearing this, Yang Ning’s heart froze, and his face turned red, An Tianxiang is this pot that can’t be opened, which pot can’t be opened, and he still talks about yesterday’s events calmly at this time!

“I’m sorry, I forgot, Mr. Bo, hurry up and explain your purpose.” Yang Ning didn’t want to talk to him about the same title, so he changed the topic quickly, so as not to cause a mess.

An Tianxiang could hear the impatience in her tone, he raised his eyebrows, not going to care about it again and again, anyway, he always had a way to keep her from calling her so distant.

“Has everything arrived?”

thing?

Yang Ning was stunned for a while, and then he remembered that he forgot to tell An Tianxiang that the clothes in the car had been returned by her.

It should be too late now, Yang Ning thought silently while holding the phone.

Seeing the other end of the phone, An Tianxiang couldn’t hear Yang Ning’s answer for a long time. He raised his eyebrows, and couldn’t help but increase his voice to remind her, “Hey, talk.”

“What?” Yang Ning regained her senses, and she was still stunned. Suddenly, she seemed to have remembered something, and quickly said: “Well, I received it, but there are too many things. My place is small, and the car is small. I don’t need any clothes.”

Hearing this, An Tianxiang frowned unhappily and tapped his fingers on the table. He said coldly, “You dare to give back what I gave you? If you can’t let it go, you have to let it go, even if you vacate your house, you have to let it go. Put me in.”

Hearing An Tianxiang’s unreasonable trouble, Yang Ning felt a little helpless. The more they got along, the more she felt that the man in front of her was really unreasonable.

Anything that is not done according to his intentions, in the end, is a sneer.

Thinking of this, Yang Ning also became impatient, she lowered her voice and pursed her lips: “Don’t be so unreasonable, okay? Besides, I don’t need so many clothes at all! In my heart, you send I have so many things, and I am already grateful to you, any more would be troublesome.”

“So that’s what you think?” Hearing Yang Ning saying that he was causing trouble for him, An Tianxiang became more and more annoyed. He remembered Yang Ning’s chatting and laughing with Yang Qingfeng in the dress shop, and his heart was chilled.

He said angrily, “You refuse to accept my things because there is a reason to go shopping with Yang Qingfeng next time, right?”

As soon as these words came out, the blood in Yang Ning’s whole body seemed to solidify. She clenched her fingers, feeling more and more suffocated by An Tianxiang’s desire to control.

Most importantly, he brought up the name that he didn’t want to face at all.

Yang Ning rolled up the hair by her ear, and the feeling in her heart can only be described as uncomfortable, so she growled in a bad mood: “Mr. An, can you tell me some truth? I’ll tell you if I want to buy clothes or not. freedom, you don’t need to worry about it so much!”

These remarks directly forced An Tianxiang’s whole body of coldness, and the atmosphere in the office suddenly dropped to zero.

Fortunately, Yang Ning was far away, so he could only feel the long silence on the other end of the phone.

As time passed, Yang Ning felt more and more struggling in her heart. She suddenly realized that what she said might have hurt An Tianxiang. Wouldn’t the act of pushing him away would arouse his disgust?

From the beginning to the end, the reason Yang Ning was most afraid of An Tianxiang’s departure was that he found Yang Yue. As an industry leader, even if she only gave Yang Yue a little resource, she would be able to chase her for a long time.
