

Chapter: 3261

Yang Ning nodded silently, the exhaustion of the long journey had already surfaced on his face, An Tianxiang saw it in his eyes, and did not insist on leaving her, and finally let her off.

Back in the rental house, away from the comfortable environment of Longquan Village, Yang Ning's mood became more and more complicated, but she didn't plan to say anything to Xiaodong.

"Yang Ning, you're back, I was planning to call you." Xiaodong stood in front of the sofa with his mobile phone, and when he heard the sound of the door opening, he hurriedly greeted him.

Yang Ning didn't know what was going on. He was changing his shoes at the door. He was stunned and said, "What's so frustrating?"

Xiaodong shook the phone in his hand and sighed helplessly: "It's not a big deal. The show you scheduled earlier is going to screen actors in advance. The person in charge over there informed me to get you ready for the interview."

Hearing this, Yang Ning nodded, slightly surprised in her heart. Why did she suddenly advance ahead of schedule, which made her a little unprepared.

But it's not a big deal, after all, she used to know about this show, because one day after seven years, they have already become popular.

"You don't need to be so panic about such a little thing. The big things are not as important as sleep."

After more than ten hours of flight, Yang Ning couldn't keep his eyes open for a long time. As soon as he got downstairs, he had another quarrel with An Tianxiang, and his spirit was even worse.

Xiaodong also easily sensed Yang Ning's exhaustion, sat beside her, and quickly poured her a glass of water, looking hesitant.

"Rest, take a break, I just happen to have another thing to say."

Taking Xiaodong's cup, Yang Ning glanced at her with some doubts, what is it worth her difficulty in opening her mouth?

She put down the water glass, looked at Xiaodong in front of her with a calm expression, and said softly, "Tell me what it is, time is precious, don't delay."

Xiaodong nodded, organized the language in his heart, and opened his mouth to say: "That's it, didn't you just leave yesterday, and then a variety show came to you, called "Love Time", specially made up as a fake Couples play it for the audience."

"What they mean is that they want you and Yang Qingfeng to pair up, so that it will make you more popular."

Hearing Xiaodong talking about this, Yang Ning found out something about "Love Time" from his memory. This variety show was not as popular as "Run, Star" at that time, but some of it was forcibly made up. Fake couples have gathered a lot of popularity.

She twitched her lips helplessly, her expression obviously unwilling to be involved in this variety show.

"Xiaodong, forget this variety show, I'm not interested."

Yang Ning simply refused, and Xiaodong felt that there was no big surprise. She spread her hands and shook her head: "No way, my Yang Ning doesn't want to accept it. Even if someone asks for it, this contract can't be signed."

Looking at Xiaodong's playful appearance, Yang Ning gave her a funny look, and Yang Ning felt very relieved that she didn't ask questions.

Because, she really couldn't say that if she took it, An Tianxiang would immediately run over and block her. In his eyes, Yang Qingfeng had now become a dazzling nail between her and him.

"What time is the interview?"

Not wanting to think about these depressing and complicated things, Yang Ning changed the subject and asked the time casually.

Sitting on the sofa, Xiaodong took out the schedule book in his pocket, looked at it for a while, and said calmly, "In the morning of tomorrow, it seems that you may not be able to rest well today."

Yang Ning closed his eyes and sighed. Even if he didn't have time to rest, he had to show his best side. This variety show is very important.

The next day, Yang Ning and Xiaodong went to the stadium where the interview was held early in the morning.

For this interview location, all the actors who came here felt an inexplicable feeling.
