

Chapter: 3285

What exactly happened?

She clenched her phone tightly, flipped through the clear photos and evidence on the screen, and suddenly felt that she couldn't figure out whether her judgment was correct. Could it be that he was really...

“No no no, impossible!”

These too real evidences even make people around Yang Qingfeng suspicious, not to mention those fans who can only know about the stars through the media.

Yang Ning felt uneasy, she didn't want to watch him lose everything.

After all, this is not the country seven years from now, where homosexuality is not yet so tolerant. Now, as long as you let others know that your sexual orientation is a little special, you will be given a strange look.

Thinking of Yang Qingfeng who was left out and excluded, Yang Ning felt uncomfortable. She hesitated for a while, but she stood up immediately and ran to the director's office.

In fact, the first phase of the work of “Run, Star” has almost been done, and the rest of the time will be for the later period. It depends on whether supplementary recording and script changes are needed.

Yang Ning only remembered Yang Qingfeng in her heart now, and she couldn't wait patiently here any longer. She knocked on the director's door and couldn't wait to explain her intentions.

The room was small and the director sat in a chair and stared at Yang Ning for a long time in silence.

He looked up at Yang Ning helplessly, closed his eyes and said, “Han Shaoqiu told me just now that he is going to go back to China, and the program crew suddenly lost two people. Go home.”

Han Shaoqiu?

Yang Ning was stunned for a moment, recalling the man's face, she was obviously very puzzled. At this critical time, she didn't want anyone to cause trouble for her.

“Okay, I'll go find him.”

Almost without hesitation, Yang Ning flew all the way to the guest room of Han Shaoqiu mentioned by the director.

She patted the door impatiently, obviously not wanting to wait any longer.

“Come on.” Han Shaoqiu's footsteps came from the guest room, he opened the door, and Yang Ning's tense face came into his eyes.

Han Shaoqiu was a little surprised. He turned away and let Yang Ning enter the house, not understanding why she suddenly visited.

“Why are you here suddenly?”

There was his suitcase on the floor in the room, Yang Ning knew at a glance that he was going to catch today's flight back.

The matter is urgent, Yang Ning is too lazy to go around, frowning, and straight to the point: “The director told me, do you want to go back to China today? However, I also want to go back to China today, and he said that he can only go back one.”

The implication is already very clear, Han Shaoqiu is not a stupid person, he can naturally hear it, his eyes changed slightly when he looked at the person in front of him, and his expression was scrutinized.

“I may not be able to promise you. The person I'm going to meet today is very important. If you tell me who you're going to meet...”

“I'm going to see Yang Qingfeng.”

Almost in an instant, Yang Ning interrupted Han Shaoqiu's words and answered firmly.

This made the man on the opposite side stunned for a second, and suddenly, he raised the corners of his lips and laughed, his eyes were full of smiles, swept away a little sadness in his eyebrows: “It took a long time, so we want to meet. people are the same.”

Hearing Han Shaoqiu's words, Yang Ning's eyes widened, and she was obviously a little surprised. She didn't have much interaction with Yang Qingfeng in the last life, and naturally she didn't know his friends. Many things were just heard.

“Really, it's such a coincidence.” Yang Ning smiled, and he was still a little absent-minded in his expression.

Han Shaoqiu knew that she was worried about Yang Qingfeng, so he stepped forward and patted her on the shoulder, like a big brother: “Okay, don't worry, I wanted to talk to you when I was shooting today, are you right? My junior brother's thoughts, I didn't expect such a thing to happen at night.”

The expressions of both of them were a little heavy, because everyone knew what it meant.

Yang Ning clenched his fists, remembering that Yang Qingfeng had helped him time and time again, and this time he would save him no matter what.
