

Chapter: 3300

The three of them didn't stay quiet in the director car for a long time, and Yang Yue, who was eliminated again, dragged Chen Dong and rushed over.

The director looked at the blush on Yang Yue's face with cold eyes, and felt a little contemptuous in his heart. If Zheng Tao talked to him, he might just take care of it. If the little girl in front of her wanted to talk to her, it would be impossible.

"What's the matter with you, why are you the most concerned?"

At this moment, Zheng Tao happened to go to the bathroom, and Yang Yue couldn't hold back the anger in her heart, and pointed at Chen Dong's nose and cursed.

"Director, this man is not a teammate at all. He has always ignored me, causing me to be eliminated! If I don't care, I will remake it again!"

Hearing this, everyone present was stunned, and Yang Ning looked at her like an idiot. She might not know that the director gave her enough face to be able to retake it once.

Even if it is Tang Qianlai today, she does not have the right to ask the director to reshoot for her. Yang Yue is really ignorant.

"Yang Yue, I think you may not be suitable for variety shows."

The director suppressed his anger, the cold light in his eyes was like ice blades, but Yang Yue could ignore his eyes very naturally.

Just now, Zheng Tao stomped on this director and gave him a mad scolding. He wasn't that powerful, and Yang Yue naturally didn't have a bit of respect when he spoke.

"What's the matter, you've already retaken it once anyway, so what if you retake it again!"

Looking at Yang Yue's righteous and lawless appearance, the director started to take a deep breath, and the wrinkles on his face were stirred up by Yang Yue's words.

How can there be such a low emotional intelligence person in the world? Did Yang Yue's brain grow to her face?

"Yang Yue, why did you come out again?"

At this moment, Zheng Tao came out of the bathroom and narrowed his eyes when he saw the five people in the director's car.

It seems that something happened just now, this Yang Yue really never let him worry.

"Zheng Tao! They bullied me! I didn't record for half an hour, and those people tried their best to get rid of me!" As soon as she saw Zheng Tao, Yang Yue seemed to have found the confidence, and quickly released the shackles to hold Chen Dong's hand, looking aggrieved, hurried out of the car.

Hearing what Yang Yue said, Zheng Tao was not surprised at all, he looked at several people in the car with different expressions, and sneered: "Don't be smart, it's just a variety show, you guys are still forming gangs. Yes, since this show doesn't welcome us, then we'll just leave."

Zheng Tao's words seemed to be dissatisfied, with deep hostility, but in fact it was just a step down for himself and Yang Yue.

Since he had already asked for a reshoot, there was no way he could have a second chance, but looking at everyone's faces, he closed his eyes and knew what had just happened.

Pretence is essential in order to leave with dignity.

However, with only Yang Yue's pig brain, she could figure out the twists and turns, she just thought that Zheng Taoshui was venting her anger.

"Did you hear, we are not rare, come and beg us to stay!"

The arrogant words made Zheng Tao's pupils shrink. To talk about what the pig teammates are like, he can now see it once and for all.

"Can you shut up!"

Sitting in the director car, Yang Ning felt a little funny when he saw Zheng Tao's expression on the verge of crying.

No matter how powerful a person is, they really can't stand Yang Yue, who is both low in both quotients.

"Okay, don't be embarrassed, and hurry back to the company with me!"

Zheng Tao originally wanted to earn some face for her, but Yang Yue is so stupid, it is already very good that others don't laugh at her, let alone want to leave here with some face.

"But I..." She glanced at the faces with different expressions in the broadcaster. Yang Yue was obviously a little unwilling. The jealousy and anger in her heart burned her internal organs, and her lead-heavy steps couldn't move at all.
