**NEVER LATE, NEVER AWAY** 

## Chapter: 3302

Hearing this extremely unfamiliar name, Yang Ning frowned and couldn't help but think about who this person was, but after thinking about it for a long time, there was no result.

She couldn't help but ask, "Who is this person? Could it be that he wants to frame Yang Qingfeng?"

Yang Ning asked one question after another, and Qiwei was a little confused. He took out his other mobile phone, lit the screen, flipped through the information on it, and got to know Ouyang Yunyu again.

"Oh, this man is a model, but now he has turned into an actor. He has played a supporting role in a few TV dramas. He has been tepid. Judging from the news, he seems to have been raised by some male bosses."

Regarding this Ouyang Yunyu, it really refreshed Yang Ning's three views. How could she not know that there are still men who can be raised, it's just too scary.

Yang Ning twitched the corners of her mouth stiffly. She didn't know what to say for a while. After a long time, she said, "Since this is the case, you don't have any photos to prove that it was Ouyang Yunyu in Mr. Jin's room that day?"

"Of course, I have two surveillance photos of the hotel at the time, and one clearly shows Ouyang Yunyu's profile."

Knowing that Qiwei had evidence in his hands, Yang Ning took a deep

However, what she should do is still to do, otherwise, someone will

Is the cause of the matter so simple?

Yang Ning was stunned for a while, obviously in disbelief, she asked in

disbelief, "Could it be that everything is a coincidence, did President Wang never think about harming him?"

She still clearly remembered that when she was in the hotel, Yang

Qingfeng said that it was President Wang who was going to move him

Qiwei chuckled lightly, smoking a cigarette and looking away, his tone became playful: "Of course yes, but Wang always wanted to frame Yang Qingfeng when he learned that this kind of photo started to

such a show, even at the expense of exposing himself. masculine

Yang Ning raised her brows with disapproval in her eyes. It turned out

privacy.

"There are probably so many things about Yang Qingfeng. You didn't

ask me before, and I didn't have time to call you." Qiwei's tone was like a family chat, and his attitude has always been calm, and Yang Ning didn't know him. Why did it suddenly seem to have changed sex, and I was a little curious.

She couldn't help but ask, "Thank you for bothering you about this. But I still have a question in my mind that I can't figure out. Why do you suddenly seem to be a different person, and you don't seem to care so much."

Hearing this, Qiwei glanced lightly at the cigarette butt in his hand, and his tone was silent: "It's nothing, you were hospitalized when you went to Las Vegas, maybe you offended which star was stabbed, but luckily there was no injury. And the key point, I have just been discharged

from the hospital recently, and I feel relieved a lot, and you are the only one who has been able to chat with me a few times, and they all think

that I have changed."

Yang Ning didn't expect so many things to happen in just a week. Yang Qingfeng had an accident, and Qi Wei was stabbed. Every day in the
