

Chapter: 3307

“What’s wrong?”

“Just to remind you, Weibo is finished, you can go and have a look.”

Today’s Qiwei is so easygoing that Yang Ning is afraid. The person who used to sit here and threaten him is now so calm.

This may be another realm of life reached after experiencing life and death.

Putting away the thoughts in his heart, Yang Ning quickly said hello, quickly motioned Xiaodong to turn on the computer, and hung up Qiwei’s phone.

“Look at Weibo.”

Yang Ning’s mood was a little impatient, she couldn’t wait to see how Qi Wei sent it.

Understanding Yang Ning’s mood, Xiaodong quickly opened the webpage and found Qiwei on Weibo. Both of them focused their attention on the screen.

[I’m in a good mood today, so I picked a popular question that netizens have been asking me to answer recently. Regarding the sexual orientation of a male star surnamed L, first of all, it is absolutely impossible for him to like a man. With his financial resources, even if he likes a man, he will not be willing to be raised, this logic line is wrong. Besides, the male star surnamed L was born as an amateur, and became popular immediately after his debut. His resources have always been top-notch, and it is not in line with the statement that he was escorted by the gold master all the way. This incident itself is a contradiction within Tianhua. The male star surnamed L is too stubborn to offend the leaders. Everyone who eats melons should choose the right melons to eat, and don’t become a knife in the hands of those who have a heart. 】

After reading Qiwei’s Weibo, Yang Ning secretly applauded. Although the entire long article was to help Yang Qingfeng to exonerate, it did not explicitly say it, but only rationally analyzed it. In the end, only a little truth was revealed, and it was not too much to offend anyone.

As for whether netizens who eat melon believe it or not, it doesn’t matter anymore. This is just a precursor to whitewashing. Later, she and Yang Qingfeng will co-star in variety shows. At that time, everything will naturally be resolved.

“Yang Ning, what are you thinking about absent-mindedly, go on and watch, Yang Yue’s is below.”

Xiaodong glanced back at Yang Ning and found that she looked confused, so he quickly pulled her sleeve and pointed to the bottom of the screen.

After returning to his senses, Yang Ning blinked, nodded, and looked in the direction Xiaodong pointed.

[Everyone must be very busy on Saturday. Let me tell you a trivial matter. In the recent popular variety show, there is a female star with the surname L. Because she was eliminated early, she forced the director to reshoot for her, and arbitrarily decided who to eliminate. This woman is domineering in the circle, and has the momentum of today’s first sister Shengtian. 】

After reading Qiwei’s analysis of Yang Yue, Yang Ning nodded with satisfaction. Now Sheng Tian’s first sister is Tang Qian. This last sentence will definitely provoke a dispute between Tang Qian and Yang Yue.

In the important part, Qiwei did not say it mildly. It seems that the ratings of this issue of “Let’s Run, Star” are definitely not low.

“Look at the comments.”

Yang Ning couldn’t wait to see how netizens commented on these two things. Xiaodong clicked on the two comments on Weibo and slowly read them.

[L surnamed male star Yang Qingfeng, L surnamed female star Yang Yue or Yang Ning, from the point of view of airborne, it should be Yang Yue, please praise me for my wit! 】

[The incident of Yang Qingfeng was very strange at first. As Tianhua’s top artist, he didn’t even have a PR when something went wrong. It must be that the agency wanted to hide him. 】

[Yang Yue is acting as a demon again. I saw her playing the director when she was filming an advertisement in our school! Her stubborn fans even cleaned her up! 】

Reading the comments page by page, Yang Ning’s heart became more and more comfortable. That’s right, this is what she wanted. These melon eaters are the easiest objects to be controlled. As long as they can bring the rhythm, That rod scale in everyone’s mind shifts a little bit.

“Wow, Yang Ning, you said, is Yang Yue going to be scolded to death this time?” Xiaodong looked at the densely packed below revealing his domineering knowledge after encountering Yang Yue, and mourned for her for a second in his heart.

Yang Ning sneered: “This is still when the show is not on air, waiting for the show to be broadcast, Yang Yue will not be able to escape the attack of public opinion this time, even if Zheng Tao wants to package her as a pure fairy, It doesn’t help, after all, fairies don’t behave like shrews.”
