

# Chapter: 3376

Could it be a love letter?

Yang Ning was a little stunned, and suddenly she lightly smiled and shook her head, she didn't think Yang Qingfeng was such a naive person.

Seeing Yang Ning suddenly burst out laughing, Yang Qingfeng was a little puzzled. He didn't ask, but said with expectation: "Your birthday is coming soon, I'll give you the birthday present I prepared in advance."

Hearing this, Yang Ning blinked, confused, birthday?

Thinking about it carefully, her birthday does seem to be approaching, Yang Ning frowned slightly, not quite understanding how he knew his birthday was coming.

"how do you know?"

Yang Qingfeng didn't expect that she would ask this question, so he turned his eyes away from the corner of his mouth stiffly, and looked at her again: "As your friend, it's okay to ask about it on purpose, don't worry about it."

don't you care...

Yang Ning squeezed the envelope tightly, raised his face, and handed the thing to him again, his expression dull and determined: "Since it's a birthday present, then you should give it to me on my birthday, otherwise I'll be misunderstood, I will It's troublesome."

Why trouble, what trouble, Yang Qingfeng didn't ask, his face was pale, and the loss in his eyes couldn't hide at all.

Of course Yang Ning knew that this move would hurt him, but these were all superfluous, she didn't like it, not to mention, she never liked Yang Qingfeng.

"You...you are really heartless." Yang Qingfeng couldn't help feeling a little bit in his heart. He took the envelope in her hand and watched it silently for a long time, then he tore the opening.

Under Yang Ning's gaze, Yang Qingfeng took out the piece of paper in the envelope and unfolded it in front of Yang Ning, with three "big idiots" written on it.

Seeing this, Yang Ning opened his eyes wide in surprise, obviously not understanding what happened.

"This is?"

There was helplessness in Yang Qingfeng's eyes, and the bitterness at the corner of his mouth could not be dissolved. He stared at the surprised Yang Ning before him, and said with restraint: "Actually, I lost the game, they asked me to give this to you, the whole thing. Guess it for a moment, what I said just now is false, don't take it seriously."

Hearing this, Yang Ning's heart trembled, his eyes changed from surprise to guilt, and he suddenly understood why the unfeeling metaphor in Yang Qingfeng's mouth.

The filming process of "In Love" this season was very smooth, and there was no estrangement in the interaction with Yang Qingfeng. Yang Qingfeng should let go of his obsession with Yang Ning. That's fine, Yang Qingfeng can start a new life.

It didn't take long for Yang Qingfeng to go to the United States. There is a director in the United States, who appreciates Yang Qingfeng's acting skills very much, and invites Yang Qingfeng to go to the United States to participate in the shooting of an extreme challenge of wild escape. Among them, there happens to be a Chinese character, Yang Qingfeng. I have been in the country for so long, and I want to go out for a walk, so after the salary is negotiated, I will end the relevant work in the country one after another, and I can also take this opportunity to give myself a new opportunity to see the outside world. Xiang Xiang presumably will not interact with Yang Ning again in the short term.

Not long after, Yang Qingfeng went abroad without saying goodbye to Yang Ning.

Yang Ning still knew about Yang Qingfeng's departure from entertainment news.

Because of An Tianxiang's protection, Yang Ning's life in the entertainment industry was smooth and stable.

He and An Tianxiang had a sweet and affectionate life as a young couple.

The days were uneventful, but suddenly one morning, Yang Ning was constantly nauseated while brushing his teeth.

I thought it was because the weather was erratic recently, which caused stomach discomfort. When I was young, my life was hard, and I didn't have my biological parents by my side, so I had gastroenteritis.

Yang Ning didn't take it to heart.

"What's wrong?" An Tianxiang, who was sleeping, also heard Yang Ning's vomit, and asked with concern.

"It's nothing, it should be fine, it's all old, just have some breakfast in a while, you can also wash up, and go downstairs for breakfast in a while," Yang Ning said lightly.

An Tianxiang was not asking any further questions.
