Soon, when Lin Fan stopped the car, he walked directly into Bai's house with Bai Yi's family of three.

At the moment, the Bai family is full of guests and friends.

The courtyard was filled with luxurious tables and chairs, and the densely populated Jiangshi high-class figures, in groups of three or five, were chatting, and the atmosphere was fiery.

clatter!

However, when the Baiyi family had just entered the door.

The noise in the courtyard of the Bai family fell silent for an instant.

One after another, he cast his eyes towards the family of four in unison.

These gazes contained consternation, ridicule, and pity.

It was more like a ray of wheat, stabbing the Bai Yi family, making their complexion extremely embarrassing.

“Xin Bai Group, Bai Yi is here!”

Upon seeing this scene, Yingbin hurriedly shouted.

Wow!

After hearing this sound, many guests in the courtyard suddenly let out a shocking uproar.

“I didn't expect that the New Bai family would have the courage to come! Do they want to curry favor with Young Master Bai Chen?”

“Hahaha...They are just traitors and abandoned sons of the Bai family! How could Young Master Bai Chen look at them?

Here !” “What a shame! That is Lin Fan, right? Our Jiang City's most famous trash son-in-law!”

“...” The dense discussion resounded.

Especially, when these voices entered the ears of the Bai Yi family, their complexion suddenly became more and more gloomy.

“Miss Bai Yi, come with me!”

Yingbin sneered, and after speaking, he led the way straight ahead.

Seeing this scene, the Baiyi family can only bite the bullet and slowly keep up.

however!

The next scene made them even more angry.

Because of this welcoming guest, they led their family to the most corner storage location of the trash can.

The messy trash is all over the floor.

The stench in the air is disgusting.

This is obviously for the sake of their family, and a set of tables and chairs was temporarily placed in order to humiliate them.

“You...how can you do this! What about my grandfather? I want to see my grandfather!” Bai Yi's face was sullen.

Just heard this.

The welcoming guest's sneer became stronger and stronger:

“Sorry! The old lady is now accompanying Young Master Bai Chen, and I don't have time to see you!”

“Also, just such a table and chair, your family likes to sit or not! No! Sit, fuck off!”

Finished!

The Yingbin glanced at the Bai Yi family contemptuously, then swayed and left.

This scene also fell in the eyes of many guests around.

They looked at the trash in that corner and the gloomy Bai Yi family.

The smiles and ridicule in the eyes of many guests became more and more intense.

“Guess, would their family sit?”

“Cut, if it were me, I would never sit. This is too bullying!”

“...”

Many guests were talking about it, all of them were discussing the Baiyi family. Will it fly away.

Just at this moment.

“Wife, if you come, let's sit down! Anyway, it's the same everywhere in the theater!”

What!

Hearing this, not only the Baiyi family was stunned, but even the many guests were quiet.

Only then did they discover that the speaker turned out to be Lin Fan.
