

Chapter: 934

boom!

One more sentence?

Nima, this bastard is endless.

Many surrounding guests looked at Lin Fan at this moment, as if they were looking at a fool. They never thought that this trash was so embarrassing for the sake of showing off.

But Grandpa Bai and others, all of them looked gloomy and blue.

Just when they were about to scold Lin Fan angrily.

An ecstatic voice greeted guests, but suddenly came from outside the courtyard:

“Genius doctor Zhang Tianyi, Ye Tian, here!!!”

Wow!

As soon as this remark came out, it instantly attracted the attention of everyone in the courtyard.

One after another, he glanced towards the door, wanting to pay tribute to the face of genius doctor Zhang.

Some guests even laughed at Lin Fan and yelled at Lin Fan:

“Hahaha...Idiot, did you hear that? No? You just finished saying that Doctor Zhang will not accept Jiangnan Bai’s invitation, so they turned around and came here. Going to the banquet, it really slaps you in the face!”

“Hahaha, since the genius doctor Zhang is willing to come to the banquet, he will definitely accept the invitation of Jiangnan Bai’s family, Lin Fan, you are really embarrassed!”

“...”

Those guests, look. The excitement is not too big, and the mocking words to Lin Fan at this moment are endless.

And heard this sound of sarcasm.

Bai Yi’s pretty face turned green and red, and his heart was extremely disappointed with Lin Fan.

Da da da!

Just under everyone’s attention, two footsteps resounded.

But seeing two figures, one old and one young, stepping in from the door.

The person in the lead is an old man in sackcloth, with an old-fashioned attitude, and his body is full of vicissitudes of life.

And behind him, followed by a handsome young man.

It was Zhang Tianyi and Ye Tian’s master and apprentice.

“Is it him?”

After seeing Zhang Tianyi, both Baishan and Shen Yumei were shocked.

Seeing the expressions of the two of them, Bai Yi was taken aback for a moment, and asked suspiciously:

“Parents, do you know the genius doctor Zhang?”

Know?

The corners of the mouths of Bai Shan and Shen Yumei twitched slightly, and the two of them looked at Lin Fan involuntarily:

“I...we don’t know him! But, we met him!”

“He is the Mai who praised Lin Fan’s medicated food last time ! Old man! It was what he said, Lin Fan’s medicated diet, one dish is worth millions! ”

What!

In a word, Bai Yi was completely dumbfounded.

She originally thought that the old man in sackcloth in her parents’ mouth might be just a liar, and Lin Fan’s medicated food must not be of such high value.

And she couldn’t even dream that the old man in Mai would be Zhang Tianyi, the genius doctor.

especially!

When Bai Yi thought that the medicated diet Zhang Tianyi said was worth a million, then 100%, the medicated diet made by Lin Fan must be of extraordinary value.

All of a sudden!

The eyes of the family of three all looked at Lin Fan, as if they had seen a ghost.

“Hahaha...Mr. Zhang, welcome!”

At this moment, with a clear laughter, Bai Chen and the others were already greeted quickly.

A crowd of people, facing Physician Zhang Shen’s apprentices, were extremely enthusiastic.

See this scene.

Zhang Tian nodded lightly.

As if in his eyes, these people in front of him, whether it is Bai Chen or the old man, are simply hard to get into his eyes.

This scene made Bai Chen and others slightly embarrassed.

After all, before Zhang Tianyi appeared, they were the real protagonists. Everyone was flattering themselves, but now, they are catching up with others, and they all love to answer, but this is a big blow to them.

“Hahaha...Doctor Zhang, please take a seat!”

Bai Chen suppressed his unhappiness forcibly, and still smiled and invited Doctor Zhang to sit down.

Until then.

Bai Chen asked curiously:

“By the way, Master Zhang, I don’t know if Doctor Ling Shi Lin can be here today? Let me wait to see the style of Doctor Lin!”
