boom!

In a word, Bai Chen was so scared that his whole body was agitated again, and he quickly replied with a trembling:

“Go back... back to the mistress, the kid convicts! The sin is unforgivable !” “Say it!” Zheng Honglian narrowed his eyes slightly, indifferent He said:

“How could it fail to annex the new Bai family this time? Also, how can Bai San and their thirteen grand masters be destroyed?”

Hearing this.

At the moment, Bai Chen hurriedly explained everything about Jiang City.

When the mistress Zheng Honglian heard it.

Lin Fan turned out to be the Queen of the Blood Prison!

rub!

She suddenly jumped up from the seat.

On the face that was originally pale as paper, there was a thick blush, and he said in disbelief:

“Bai Chen, you... are you sure that Lin Fan is the King of the Blood Prison?”

Shocked!

That’s the King of Blood Prison!

Zheng Honglian usually pays most attention to the international situation.

And among them, every time she saw the name of the King of Blood Prison, she felt a shudder from the soul.

Create a blood prison with one hand, this iron torrent teacher!

Waving to establish Universal Group, the world’s number one chaebol!

The King of Blood Prison!

This is almost like a god-like name in the heart of the mistress Zheng Honglian.

And now!

She couldn’t even dream that the existence of that terrifying emperor would be hidden in Jiangshi, and it was a small branch of their Bai family.

This.....

“Mother, it is true! According to the disciples, the Blood Buddha Tu was once one of the members of the Blood Prison, and he has always called Lin Fan my king!”

“Also, according to the disciple’s investigation, the recent genius doctor Lin in Jiang City, Grandmaster Lin, all these identities are one person, that is, Lin Fan, the king of the blood prison!”

“Only he can be so terrifying and versatile!”

Wow!

When Bai Chen’s words were finished.

The forehead of the mistress Zheng Honglian suddenly dripped cold sweat!

so close!

Fortunately, Bai Chen knew Lin Fan’s true identity, otherwise, if she rashly continued to send white angels to avenge the three groups, then perhaps what awaited them in the Bai family was... the disaster of extinction.

Thought of this.

The mother-in-law Zheng Honglian collapsed on the seat. The dense cold sweat almost wetted her clothes:

“Bai Chen! You are not wrong in this matter, but you are meritorious! To my Bai family, you have a terrifying merit! “In a word, Bai Chen’s prostrate figure trembled fiercely.

My heart was ecstatic to the extreme. ,

“Thank you mistress!” I just heard this.

The mistress Zheng Honglian waved her hand, and then she asked curiously:

“Lin Fan’s true identity, besides you, is there anyone else who knows?”

“Back to the mistress, this matter is only Lin Fan’s. The terrifying subordinates know that, other than that, they are the disciples!” Bai Chen replied respectfully:

“In addition, it seems that even the Bai Yi family don’t know the true identity of Lin Fan.”

Huh?

The mistress Zheng Honglian’s eyes lit up.

Hide identity?

“Okay! Great! In this case, it means that the King of the Blood Prison has been hiding his identity, and for this, only you know, I know! You can’t tell the true identity of Mr. Lin to a third person! ”

Also, cancel all actions against the New Bai family and Mr. Lin!” The mistress, Zheng Honglian, was extremely decisive:

“In addition, I will promote you exceptionally to the third successor!”

“As long as in the future, Mr. Lin When you appear in Jiangnan City, you must apologize to him at all costs, ask for his forgiveness, and build the closest relationship with him!”

“You...understand?”

Boom!

In a word, Bai Chen almost cried with joy.

The third in line!

You know, there are hundreds of direct descendants of the Bai family, and Bai Chen is just one of a few ordinary ones.

However, he never thought that because of Lin Fan, he would be exceptionally promoted and jumped over the dragon gate.

this moment!

Bai Chen felt extremely grateful and admired to Lin Fan.

At the moment, his head was facing the ground, and he slammed:

“Mother, don’t worry, as long as Mr. Lin appears in Jiangnan City, even if the disciple pays this fate, he will definitely become friends with Mr. Lin!”

Hearing this!

At the corner of the mother’s mother Zheng Honglian’s mouth, a deep satisfied smile appeared.

With her beautiful eyes, she couldn’t help but look out of the living room, looking in the direction of Jiang Shi:

“Perhaps, Mr. Lin is the true God of salvation in our Bai family!”

“Only he can make my Bai family soar into the sky. !”
