This made him almost scared to pee.

And on the side!

Bai Yi, Bai Shan, and Shen Yumei were also completely stunned.

In their eyes, this Lin Zuo, no matter his figure or profile, is so much like Lin Fan. If it weren't for the windbreaker and army boots, they even suspected that Lin Fan was Lin Fan.

"Lin Fan, this guy seems to have collided with a lot of big people!" A wry smile appeared at the corner of Bai Yi's mouth.

In her mind, she was the first to rule out the idea that Lin Fan was Lin Zuo.
