

# Chapter: 994

boom!

Accept it!

After hearing this, Yang Tianhao and all the Yang family members did not show the slightest bit of dissatisfaction and loss on their faces. On the contrary, they seemed to have been rescued, and they were extremely ecstatic.

“Thank you, Miss Bai Yi! You are really the reincarnation of a Bodhisattva!”

“Miss Bai Yi, we Yang family are extremely grateful to you!”

“...”

Yang Tianhao and all the Yang family seniors, at this moment, are facing Bai Yi one by one.

And see this scene!

Shen Jian, Shen Taigong and others: “...”

Chang Yuan, Yang Mingpeng: “...”

Everyone looked dumbfounded.

It was an eye open.

They saw it for the first time, begging to give away the most valuable thing in their family, and after the other party agreed, they would be grateful.

This is so special, it's definitely the first time that it has made a breakthrough. If it spreads out, let alone Jiangnan, even the entire China, it will definitely be a sensation.

Now!

After Yang Tianhao and others were grateful to Bai Yi, a lawyer from the Yang family came up with a contract.

“Miss Bai Yi, please sign here. The Yang family will be fully responsible for the rest of the transfer procedures!”

“Guaranteed that within one week, you will become the new owner of the Galaxy Tower!”

Nima!

See this scene!

Everyone's gaze at Bai Yi was full of deep complexity and inconceivability.

It has only been more than an hour since Bai Yi set foot in Jiangnan City.

But in this more than an hour, she actually made tens of billions in vain, a building!

This simply broke everyone's eyeballs.

Until everything is done.

Yang Mingpeng, who had been in shock, completely reacted.

He seemed to have lost his soul, his face was dull and shocked, and he kept muttering to himself:

“Crazy! My dad is crazy, my uncles are crazy, all the Yang family members are crazy!”

Yang Mingpeng only felt himself. His outlook on life is completely shattered. Mobile phone:

And heard his muttering.

Yang Tianhao suddenly became angry. He grabbed Yang Mingpeng by the collar and shouted angrily:

“You idiot, follow me!”

Finished!

Yang Tianhao turned around again and looked at Bai Yi, as if his face had changed, and a thick, pleasing smile appeared:

“President Bai Yi, then... we will go first!”

“Take care! If you can get the place of our Yang family in the future, Regardless of the fierce fire, our Yang family will definitely be there for you!” Please

!

Congratulations!

Yang Tianhao's attitude towards Bai Yi was almost like a pug trying to please his owner, which was extremely shocking.

Until all the Yang family members have left.

Inside the ward, there was still depressive silence.

The Baishan couple didn't even react slightly until then. They looked at their daughter in astonishment, and said in disbelief : “Bai... Bai Yi, Yang Tianhao really gave you the Galaxy Tower?”

“Bai Yi, Aren't we dreaming? This...how can it be a good thing to fall in this sky!” It's not just their couple.

The most complicated are Shen Taigong, Shen Jian and others.

The Shen family has worked hard and accumulated for decades, but it has only more than one billion assets.

But now!

Bai Yi earned a building in less than an hour, which is like a fantasy.

Looking at the weird looks of everyone.

The corner of Bai Yi's mouth could not help but a deep wry smile appeared:

“Parents! I...I don't know what's going on!”

“However, this time it seems that Lin Fan was hit by Lin Fan again!”

Huh?

Lin Fan got it right?

Hearing Bai Yi's words, everyone was stunned, only then did they remember it.
